The moneys contained herein are appropriated from the named funds to Administered Funds, Department of Business and Professional Regulation, Department of Citrus, Department of Economic Opportunity, Department of Financial Services, Executive Office of the Governor, Department of Highway Safety and Motor Vehicles, Legislative Branch, Department of the Lottery, Department of Management Services, Department of Military Affairs, Public Service Commission, Department of Revenue and the Department of State as the amounts to be used to pay the salaries, other operational expenditures and fixed capital outlay of the named agencies.

From the funds in Specific Appropriations 2169 through 2226V, any expenditure from the Temporary Assistance for Needy Families (TANF) Block Grant is only permitted in accordance with the requirements and limitations of Part A Title IV of the Social Security Act, as amended or any other applicable federal requirement or limitation.

From the funds in Specific Appropriations 2169 through 2226V, any expenditure from the Temporary Assistance for Needy Families (TANF) Block Grant is only permitted in accordance with the requirements and limitations of Part A Title IV of the Social Security Act, as amended or any other applicable federal requirement or limitation.

The department head or a designee must certify that the contracts are in place to ensure that such funds are expended in accordance with the requirements and limitations of federal law and that reporting requirements of federal law are met.

From the funds in Specific Appropriations 2169 through 2226V, any expenditure from the Temporary Assistance for Needy Families (TANF) Block Grant is only permitted in accordance with the requirements and limitations of Part A Title IV of the Social Security Act, as amended or any other applicable federal requirement or limitation.

Funds provided in Specific Appropriations 2195 through 2224, the Department of Economic Opportunity shall directly contract with entities allocated funds from Specific Appropriations 2195 through 2224. The Department of Economic Opportunity is prohibited from expending any specific appropriation from the General Revenue Fund, any trust fund or from any other source for the rent, lease or possession of space for offices or any other purpose at Northwest Centre, 1940 North Monroe Street, Tallahassee, Florida, pursuant to State of Florida Leases Nos. 720:0139, 750:0068, 790:0098, 400:0068 or 900:0053, or any other lease, except State of Florida Lease No. 400:0070.

Notes:

When allocating full-time equivalent (FTE) positions to individual local workforce development boards, the Department of Economic Opportunity shall ensure that workforce services are effectively and efficiently provided throughout the state. The department is authorized to reallocate any FTE position allocated to a local workforce development board that has been or becomes vacant for more than 180 consecutive days. Any FTE position allocated to a local workforce development board that has been or becomes vacant for less than 180 days, when reallocating in a FTE position, the department must give priority to regional workforce boards that have an FTE position allocated to a local workforce board that has been or becomes vacant for more than 180 days. When realocating in a FTE position, the department must give priority to a regional workforce board that would use the FTE position to provide additional services to veterans.

From the funds provided in Specific Appropriations 2195 through 2224, the Department of Economic Opportunity must determine if any funds provided for specific workforce programs, projects, or initiatives are not an allowable use of federal funds. If the department finds that any workforce program, project, or initiative for which funds are specifically appropriated in this act is not an allowable use of federal funds, the fund or funds shall be returned to the General Revenue Fund by the Department of Economic Opportunity except as expressly authorized by state law. Preapproved, reasonable, and necessary per diem allowances and travel established in section 112.061, Florida Statutes, shall be in compliance with all applicable federal regulations and guidance. For any expenditures exceeding $5,000 for use purposes, a regional workforce board must obtain prior approval from the Department of Economic Opportunity before purchasing promotional items, including but not limited to capes, blankets, and clothing and memorabilia, models, gifts, and souvenirs.

The Department of Economic Opportunity must determine if any funds provided for specific workforce programs, projects, or initiatives are not an allowable use of federal funds. If the department finds that any workforce program, project, or initiative for which funds are specifically appropriated in this act is not an allowable use of federal funds, the fund or funds shall be returned to the General Revenue Fund by the Department of Economic Opportunity except as expressly authorized by state law. Preapproved, reasonable, and necessary per diem allowances and travel established in section 112.061, Florida Statutes, shall be in compliance with all applicable federal regulations and guidance. For any expenditures exceeding $5,000 for use purposes, a regional workforce board must obtain prior approval from the Department of Economic Opportunity before purchasing promotional items, including but not limited to capes, blankets, and clothing and memorabilia, models, gifts, and souvenirs.

Funds provided in Specific Appropriation 2202 from the Welfare Transition Trust Fund are prohibited from expending any specific appropriation from the General Revenue Fund, any trust fund or from any other source for the rent, lease or possession of space for offices or any other purpose at northwest Centre, 1940 North Monroe Street, Tallahassee, Florida, pursuant to State of Florida Leases Nos. 720:0139, 750:0068, 790:0098, 400:0068 or 900:0053, or any other lease, except State of Florida Lease No. 400:0070.

Notes:

Funds provided in Specific Appropriation 2202 from the Welfare Transition Trust Fund are prohibited from expending any specific appropriation from the General Revenue Fund, any trust fund or from any other source for the rent, lease or possession of space for offices or any other purpose at Northwest Centre, 1940 North Monroe Street, Tallahassee, Florida, pursuant to State of Florida Leases Nos. 720:0139, 750:0068, 790:0098, 400:0068 or 900:0053, or any other lease, except State of Florida Lease No. 400:0070.

From the funds provided in Specific Appropriations 2195 through 2224, the Department of Economic Opportunity shall directly contract with entities allocated funds from Specific Appropriations 2195 through 2224. The Department of Economic Opportunity is prohibited from expending any specific appropriation from the General Revenue Fund, any trust fund or from any other source for the rent, lease or possession of space for offices or any other purpose at Northwest Centre, 1940 North Monroe Street, Tallahassee, Florida, pursuant to State of Florida Leases Nos. 720:0139, 750:0068, 790:0098, 400:0068 or 900:0053, or any other lease, except State of Florida Lease No. 400:0070.

Notes:

Funds provided in Specific Appropriation 2202 from the Welfare Transition Trust Fund are prohibited from expending any specific appropriation from the General Revenue Fund, any trust fund or from any other source for the rent, lease or possession of space for offices or any other purpose at northwest Centre, 1940 North Monroe Street, Tallahassee, Florida, pursuant to State of Florida Leases Nos. 720:0139, 750:0068, 790:0098, 400:0068 or 900:0053, or any other lease, except State of Florida Lease No. 400:0070.

From the funds provided in Specific Appropriations 2195 through 2224, the Department of Economic Opportunity must determine if any funds provided for specific workforce programs, projects, or initiatives are not an allowable use of federal funds. If the department finds that any workforce program, project, or initiative for which funds are specifically appropriated in this act is not an allowable use of federal funds, the fund or funds shall be returned to the General Revenue Fund by the Department of Economic Opportunity except as expressly authorized by state law. Preapproved, reasonable, and necessary per diem allowances and travel established in section 112.061, Florida Statutes, shall be in compliance with all applicable federal regulations and guidance. For any expenditures exceeding $5,000 for use purposes, a regional workforce board must obtain prior approval from the Department of Economic Opportunity before purchasing promotional items, including but not limited to capes, blankets, and clothing and memorabilia, models, gifts, and souvenirs.
Funds in Specific Appropriation 2246X must be used for technical and planning assistance activities, as required by sections 163.316 and 420.622, Florida Statutes. Funds in Specific Appropriation 2246X must be used for technical and planning assistance activities, as required by sections 163.316, Florida Statutes, and may be used by the Department of Economic Opportunity’s Competitive Florida Partnerships pilot program.

Funds from the Florida Housing Finance Corporation for the purpose of coordinating services and housing for persons with special needs.

The funds provided in Specific Appropriation 2246X must be used for technical and planning assistance activities, as required by sections 163.316, Florida Statutes, and may be used by the Department of Economic Opportunity’s Competitive Florida Partnerships pilot program.

The Department of Economic Opportunity shall directly contract with entities allocated funds from Specific Appropriation 2224Q for technical and planning assistance activities, as required by sections 163.316, Florida Statutes, and the Florida Keys Area of Critical State Concern.

The Florida Housing Finance Corporation shall provide staff and support services to the Habitat For Humanity Workgroup. The workgroup shall develop recommendations for addressing the state’s affordable housing needs. The recommendations shall be presented to the Governor, the Senate, and the Speaker of the House of Representatives by January 1, 2018. The workgroup shall submit a report containing the approved recommendations to the Governor, the Senate, and the Speaker of the House of Representatives by January 1, 2018.

From the funds provided in Specific Appropriation 2246X, at least 50 percent shall be used for the construction or rehabilitation of units through the State Apartment Incentive Loan (SAIL) Program. Each SAIL development that receives an award from these funds will be targeted to families, persons who are homeless pursuant to section 420.001(1), Florida Statutes, and must include on-site and no more than 10 percent of which will be targeted to persons with a special need as defined in section 420.0004, Florida Statutes, and in the Florida Keys Area of Critical State Concern. Each SAIL development that receives an award from these funds and will be targeted to persons with disabilities as defined in section 393.063, Florida Statutes. Each development shall be required to enter into an agreement with at least one designated supportive services lead agency, such as the Local Center for Independent Living, the Agency for Persons with Disabilities, or any other such agency approved by the Florida Housing Finance Corporation (FHFC), for the purpose of coordinating services and housing for persons with special needs.

From the funds provided in Specific Appropriation 2246X, at least 30 percent shall be used for the construction or rehabilitation of units through the SAIL Program. Each SAIL development that receives an award from these funds will be targeted to families, persons who are homeless pursuant to section 420.001(1), Florida Statutes, and must include on-site and no more than 10 percent of which will be targeted to persons with a special need as defined in section 420.0004, Florida Statutes, and in the Florida Keys Area of Critical State Concern. Each SAIL development that receives an award from these funds and will be targeted to persons with disabilities as defined in section 393.063, Florida Statutes. Each development shall be required to enter into an agreement with at least one designated supportive services lead agency, such as the Local Center for Independent Living, the Agency for Persons with Disabilities, or any other such agency approved by the Florida Housing Finance Corporation (FHFC), for the purpose of coordinating services and housing for persons with special needs.

From the funds provided in Specific Appropriation 2225, at least 50 percent shall be used for the construction or rehabilitation of units through the State Apartment Incentive Loan (SAIL) Program. Each SAIL development that receives an award from these funds will be targeted to families, persons who are homeless pursuant to section 420.001(1), Florida Statutes, and must include on-site and no more than 10 percent of which will be targeted to persons with a special need as defined in section 420.0004, Florida Statutes, and in the Florida Keys Area of Critical State Concern. Each SAIL development that receives an award from these funds and will be targeted to persons with disabilities as defined in section 393.063, Florida Statutes. Each development shall be required to enter into an agreement with at least one designated supportive services lead agency, such as the Local Center for Independent Living, the Agency for Persons with Disabilities, or any other such agency approved by the Florida Housing Finance Corporation (FHFC), for the purpose of coordinating services and housing for persons with special needs.

From the funds provided in Specific Appropriation 2246X, at least 20 percent shall be used for the construction or rehabilitation of units through the SAIL Program. Each SAIL development that receives an award from these funds will be targeted to families, persons who are homeless pursuant to section 420.001(1), Florida Statutes, and must include on-site and no more than 10 percent of which will be targeted to persons with a special need as defined in section 420.0004, Florida Statutes, and in the Florida Keys Area of Critical State Concern. Each SAIL development that receives an award from these funds and will be targeted to persons with disabilities as defined in section 393.063, Florida Statutes. Each development shall be required to enter into an agreement with at least one designated supportive services lead agency, such as the Local Center for Independent Living, the Agency for Persons with Disabilities, or any other such agency approved by the Florida Housing Finance Corporation (FHFC), for the purpose of coordinating services and housing for persons with special needs.

From the funds provided in Specific Appropriation 2224Q, at least 50 percent shall be used for the construction or rehabilitation of units through the SAIL Program. Each SAIL development that receives an award from these funds will be targeted to families, persons who are homeless pursuant to section 420.001(1), Florida Statutes, and must include on-site and no more than 10 percent of which will be targeted to persons with a special need as defined in section 420.0004, Florida Statutes, and in the Florida Keys Area of Critical State Concern. Each SAIL development that receives an award from these funds and will be targeted to persons with disabilities as defined in section 393.063, Florida Statutes. Each development shall be required to enter into an agreement with at least one designated supportive services lead agency, such as the Local Center for Independent Living, the Agency for Persons with Disabilities, or any other such agency approved by the Florida Housing Finance Corporation (FHFC), for the purpose of coordinating services and housing for persons with special needs.

From the funds provided in Specific Appropriation 2246X, at least 15 percent shall be used for the construction or rehabilitation of units through the SAIL Program. Each SAIL development that receives an award from these funds will be targeted to families, persons who are homeless pursuant to section 420.001(1), Florida Statutes, and must include on-site and no more than 10 percent of which will be targeted to persons with a special need as defined in section 420.0004, Florida Statutes, and in the Florida Keys Area of Critical State Concern. Each SAIL development that receives an award from these funds and will be targeted to persons with disabilities as defined in section 393.063, Florida Statutes. Each development shall be required to enter into an agreement with at least one designated supportive services lead agency, such as the Local Center for Independent Living, the Agency for Persons with Disabilities, or any other such agency approved by the Florida Housing Finance Corporation (FHFC), for the purpose of coordinating services and housing for persons with special needs.

**MILITARY AFFAIRS**

From the funds provided in Specific Appropriations 2963 through 2969, the Department of Military Affairs shall submit quarterly reports on all travel-related to training, seminars, workshops, conferences, or similarly purposeful travel that was completed by senior management, employees and division or program directors. Each quarterly report shall include the following information: (a) employee name, (b) position title, (c) purpose of travel, (d) dates and location of travel, (e) confirmation of agency head authorization requested by HB 5003, and (f) total travel cost. The report shall be submitted to the chair of the Senate Committee on Appropriations, the chair of the House of Representatives Appropriations Committee, and the Executive Officer of the Governor. The next report shall be submitted on July 15, 2017, for the period of April 1, 2017, through June 30, 2017, and quarterly thereafter.

**SPECIAL CATEGORIES: NATIONAL GUARD TURF/ASSISTANCE**

From the recurring funds in Specific Appropriation 2946, the Department of Military Affairs shall establish an application period for each semester under the Florida National Guard Tuition Assistance Program. After the requirements of section 250.10(8)(a), Florida Statutes are met, the application period shall be open for the Florida National Guard members seeking undergraduate degrees, or to eligible applicants seeking graduate degrees, as well as those seeking STEM graduate degrees, as well as those seeking an associate degree or non-STEM graduate degree. The report shall be submitted to the Executive Officer of the Governor’s Office of Policy and Budget, the chair of the Senate Committee on Appropriations, and the chair of the House Appropriations Committee by October 31, 2017.

**EXPENSES**

From the funds in Specific Appropriation 2960, $2,000,000 of nonrecurring general revenue funds will be provided to the Youth Challenge Program to maintain the current state match amount.

**SPECIAL CATEGORIES: CONTRACTED SERVICES**

From the funds in Specific Appropriation 2964, $2,000,000 of nonrecurring funds from the Federal Grants Trust Fund is provided for the Economic Development and the Department of Economic Opportunity. The program is to be funded with funds transferred from the Department of Economic Opportunity.
The funds in Specific Appropriation 3142 are provided for funding an appropriations project for the next regularly scheduled general election. The equipment for casting and counting ballots to meet the needs of the county electors, including recount processes, and the certification of accurate and complete official election results, the delivery of absentee ballots, the casting and counting of valid votes, voting system audits or recount processes, and the testing and certifying of any emerging technology that enhances or facilitates the delivery of absentee ballots, the casting and counting of valid votes, voting system audits or recount processes must first be certified or approved, whichever is applicable by the Department of State. Additionally, before the supervisor of elections receives funds for any software or hardware technology, including, but not limited to, any emerging technology that enhances or facilitates the delivery of absentee ballots, the casting and counting of valid votes, voting system audits or recount processes, the software or hardware technology must first be certified or approved, whichever is applicable by the Department of State. Additionally, before the supervisor of elections receives funds for any software or hardware technology, including, but not limited to, any emerging technology that enhances or facilitates the delivery of absentee ballots, the casting and counting of valid votes, voting system audits or recount processes, the software or hardware technology must first be certified or approved, whichever is applicable by the Department of State. County supervisors of elections will receive funds only after providing the Department of State a detailed description of the programs that will be implemented. Funds distributed to county supervisors of elections required to complete any emerging technology that enhances or facilitates the delivery of absentee ballots, the casting and counting of valid votes, voting system audits or recount processes, the software or hardware technology must first be certified or approved, whichever is applicable by the Department of State. Additionally, before the supervisor of elections receives funds for any software or hardware technology, including, but not limited to, any emerging technology that enhances or facilitates the delivery of absentee ballots, the casting and counting of valid votes, voting system audits or recount processes, the software or hardware technology must first be certified or approved, whichever is applicable by the Department of State. Additionally, before the supervisor of elections receives funds for any software or hardware technology, including, but not limited to, any emerging technology that enhances or facilitates the delivery of absentee ballots, the casting and counting of valid votes, voting system audits or recount processes, the software or hardware technology must first be certified or approved, whichever is applicable by the Department of State. Additionally, before the supervisor of elections receives funds for any software or hardware technology, including, but not limited to, any emerging technology that enhances or facilitates the delivery of absentee ballots, the casting and counting of valid votes, voting system audits or recount processes, the software or hardware technology must first be certified or approved, whichever is applicable by the Department of State. Additionally, before the supervisor of elections receives funds for any software or hardware technology, including, but not limited to, any emerging technology that enhances or facilitates the delivery of absentee ballots, the casting and counting of valid votes, voting system audits or recount processes, the software or hardware technology must first be certified or approved, whichever is applicable by the Department of State. Additionally, before the supervisor of elections receives funds for any software or hardware technology, including, but not limited to, any emerging technology that enhances or facilitates the delivery of absentee ballots, the casting and counting of valid votes, voting system audits or recount processes, the software or hardware technology must first be certified or approved, whichever is applicable by the Department of State. Additionally, before the supervisor of elections receives funds for any software or hardware technology, including, but not limited to, any emerging technology that enhances or facilitates the delivery of absentee ballots, the casting and counting of valid votes, voting system audits or recount processes, the software or hardware technology must first be certified or approved, whichever is applicable by the Department of State. Additionally, before the supervisor of elections receives funds for any software or hardware technology, including, but not limited to, any emerging technology that enhances or facilitates the delivery of absentee ballots, the casting and counting of valid votes, voting system audits or recount processes, the software or hardware technology must first be certified or approved, whichever is applicable by the Department of State. Additionally, before the supervisor of elections receives funds for any software or hardware technology, including, but not limited to, any emerging technology that enhances or facilitates the delivery of absentee ballots, the casting and counting of valid votes, voting system audits or recount processes, the software or hardware technology must first be certified or approved, whichever is applicable by the Department of State. Transportation, Tourism and Economic Development Appropriations

**Senate Offer #1-Proviso**

**Summary:** This bill includes various appropriations for transportation, tourism, and economic development projects. It also addresses the removal of certain tax credits and the reappropriation of unexpended funds.

**Key Provisions:**
- **Budget Amendment Reappropriation:** Adds $200,000,000 to the Florida Housing Finance Corporation Guarantee Fund Program.
- **State Apartment Incentive Loan Program:** Appropriates $35,750,000 for the program.
- **Smart City Challenge Grant Program:** Established within DOT for municipalities or regions documenting adoption of emerging technologies.
- **Emergency Management:** Includes appropriations for the Department of Highway Safety and Motor Vehicles and the Division of Emergency Management.
- **Reappropriation of Funds:** The unexpended balance of funds from specific appropriations and other funds are reappropriated for the next fiscal year.

**Detailed Provisions:**

- **Section 1:** Appropriates $200,000,000 to the Florida Housing Finance Corporation Guarantee Fund Program.
- **Section 9:** Appropriates $35,750,000 to the State Apartment Incentive Loan Program.
- **Section 11:** Established a grant program within DOT for the Florida Smart City Challenge Grant Program.
- **Sections 12-14:** Reappropriations of unexpended funds from various appropriations for the next fiscal year.

**Conclusion:** The bill ensures the effective use of funds for critical transportation, tourism, and economic development projects while ensuring financial continuity for ongoing initiatives.

4/26/2017 1:35 PM Page 7 of 11 ATD-SB 2500-HB 5001-Senate Offer #1-ProvisoBOBIB.xlsm
The fee for the issuance of a marriage license will be reduced from $59.50 to $52.00. The bill would further eliminate the portion of fees that provide revenue for the program by reducing the surcharge on marriage license applications by $7.50. The bill authorizes the Director of the Library Commission to issue a notice of fund availability for $40 million for loans for the construction of workforce housing to serve primarily low-income persons and in the Florida Keys Area of Critical State Concerns, to serve households with incomes not to exceed 140 percent of area median income.

Transportation, Tourism and Economic Development Appropriations
