| Row | GAA Line Item | House Bill 5001 | House Offer #1 | Senate Bill 2500 | Modified or New Language |
|-----|---------------|---|---|---|--------------------------|
| 1 | | The moneys contained herein are appropriated from the named funds to the Agency for Health Care Administration, Agency for Persons with Disabilities, Department of Children and Families, Department of Elder Affairs, Department of Health, and Department of Veterans' Affairs as the amounts to be used to pay the salaries, other operational expenditures, and fixed capital outlay of the named agencies. | Identical | The moneys contained herein are appropriated from the named funds to the Agency for Health Care Administration, Agency for Persons with Disabilities, Department of Children and Families, Department of Elder Affairs, Department of Health, and Department of Veterans' Affairs as the amounts to be used to pay the salaries, other operational expenditures, and fixed capital outlay of the named agencies. | |
| 2 | | AGENCY FOR HEALTH CARE ADMINISTRATION | | | |
| 3 | 171 | From the funds in Specific Appropriation 171, \$450,000 in nonrecurring funds from the Administrative Trust Fund is provided for the Bureau of Financial Services Enterprise Financial System. | Open Budget Issue | From the funds in Specific Appropriation 171, \$900,000 in nonrecurring funds from the Administrative Trust Fund is provided to the Agency for Health Care Administration to maintain, support, and enhance the agency's financial system. | |
| 4 | 171A | Funds in Specific Appropriation 171 are provided for the planning and remediation tasks necessary to integrate agency applications with the new Florida Planning, Accounting, and Ledger Management (PALM) system. The funds shall be placed in reserve. The Agency for Health Care Administration is authorized to submit budget amendments requesting release of these funds pursuant to the provisions of chapter 216, Florida Statutes. Release is contingent upon the approval of a detailed operational work plan and a monthly spend plan that identifies all project work and costs budgeted for Fiscal Year 2022-2023. The agency shall submit quarterly project status reports to the Executive Office of the Governor's Office of Policy & Budget, the Florida Digital Service, and the chair of the Senate Appropriations Committee and the chair of the House Appropriations Committee. Each status report must include progress made to date for each project milestone, deliverable, and task order, planned and actual completion dates, planned and actual costs incurred, and any current project issues and risks. | House | | |
| 5 | 176 | Funds in Specific Appropriations 176 and 179 are provided to the Agency for Health Care Administration to contract with the Florida Healthy Kids Corporation to provide comprehensive health insurance coverage, including dental services, to Title XXI children eligible under the Florida KidCare Program and pursuant to section 624.91, Florida Statutes. The corporation shall use local funds to serve non-Title XXI children that are eligible for the program pursuant to section 624.91(3)(b), Florida Statutes. The corporation shall return unspent local funds collected in Fiscal Year 2021-2022 to provide premium assistance for non-Title XXI eligible children based on a formula developed by the corporation. | Identical | Funds in Specific Appropriations 176 and 179 are provided to the Agency for Health Care Administration to contract with the Florida Healthy Kids Corporation to provide comprehensive health insurance coverage, including dental services, to Title XXI children eligible under the Florida KidCare Program and pursuant to section 624.91, Florida Statutes. The corporation shall use local funds to serve non-Title XXI children that are eligible for the program pursuant to section 624.91(3)(b), Florida Statutes. The corporation shall return unspent local funds collected in Fiscal Year 2021-2022 to provide premium assistance for non-Title XXI eligible children based on a formula developed by the corporation. | |
| 6 | 179 | Funds in Specific Appropriation 179 are provided to the Agency for Health Care Administration for Florida Healthy Kids dental services to be paid a monthly premium of no more than \$15.51 per member per month. | House | Funds in Specific Appropriation 179 are provided to the Agency for Health Care Administration for Florida Healthy Kids dental services to be paid a monthly premium of no more than \$15.51 per member per month for the period July 1 through June 30. | |
| 7 | 189 | In order to preserve the limits of Specific Appropriation 189, no funds shall be used for the FX project to replace the Florida Medicaid Management Information System and Medicaid fiscal agent. | Identical | In order to preserve the limits of Specific Appropriation 189, no funds shall be used for the FX project to replace the Florida Medicaid Management Information System and Medicaid fiscal agent. | |
| 8 | 189 | From the funds in Specific Appropriation 189, \$1,000,000 from the Grants and Donations Trust Fund and \$1,000,000 from the Medical Care Trust Fund are provided for the Agency for Health Care Administration to contract with the Florida Medical Schools Quality Network created under section 409.975(2), Florida Statutes, to develop quality metrics for Medicaid eligible persons, which are Application Programming Interface (API) compatible with the agency and Medicaid managed care organizations and quality initiatives pursuant to section 409.975, Florida Statutes. | Identical | From the funds in Specific Appropriation 189, \$1,000,000 from the Grants and Donations Trust Fund and \$1,000,000 from the Medical Care Trust Fund are provided for the Agency for Health Care Administration to contract with the Florida Medical Schools Quality Network created under section 409.975(2), Florida Statutes, to develop quality metrics for Medicaid eligible persons, which are Application Programming Interface (API) compatible with the agency and Medicaid managed care organizations and quality initiatives pursuant to section 409.975, Florida Statutes. | |
| 9 | 189 | | Appropriations Projects - Refer to budget spreadsheet | From the funds in Specific Appropriation 189, \$500,000 in nonrecurring funds from General Revenue Fund is provided for a Medicaid Provider Health Information Exchange Security Investment (Senate Form 1149). | |

|-----|---------------|--|---|--|--------------------------|
| 10 | 189 | From the funds in Specific Appropriation 189, \$1,000,000 in nonrecurring funds from the General Revenue Fund and \$1,000,000 in nonrecurring funds from the Medical Care Trust Fund are provided to obtain contracted legal counsel for the Statewide Medicaid Managed Care (SMMC) procurement in FY 2022-23. | House | | |
| 11 | 189 | From the funds in Specific Appropriation 189, \$300,000 in nonrecurring funds from the Medical Care Trust Fund are provided to obtain contracted actuarial services as part of the negotiation team for the Statewide Medicaid Managed Care (SMMC) procurement in FY 2022-23. | House | | |
| 12 | 189 | | Open Budget Issue | From the funds in Specific Appropriation 189, \$200,000 in nonrecurring funds from the General Revenue Fund is provided to the Agency for Health Care Administration for contract management of additional Enterprise Data Warehouse services. | |
| 13 | 189 | | Appropriations Projects - Refer to budget spreadsheet | From the funds in Specific Appropriation 189, \$250,000 in nonrecurring funds from the General Revenue Fund is provided for the Encore Healthcare Medicaid Respiratory Disease Management Pilot Program (Senate Form 2258). | |
| 14 | 190 | From the funds in Specific Appropriation 190, \$15,000,000 in recurring funds from the Grants and Donations Trust Fund is provided to the Agency for Health Care Administration for the administration of the Canadian Prescription Drug Importation Program. | Identical | From the funds in Specific Appropriation 190, \$15,000,000 in recurring funds from the Grants and Donations Trust Fund is provided to the Agency for Health Care Administration for the administration of the Canadian Prescription Drug Importation Program. | |
| 15 | 190 | From the funds in Specific Appropriation 190, the Agency for Health Care Administration is authorized to expend funds from the Grants and Donations Trust Fund to purchase prescription drugs pursuant to the parameters of the Canadian Prescription Drug Importation Program as authorized by section 381.02035, Florida Statutes, for use in state programs outlined in section 381.02035(3), Florida Statutes. Funds expended by the agency for prescriptions utilized by clients of those state programs will be reimbursed to the agency by the appropriate state program office. Upon federal approval, the agency is authorized to submit a budget amendment pursuant to chapter 216, Florida Statutes. | Identical | From the funds in Specific Appropriation 190, the Agency for Health Care Administration is authorized to expend funds from the Grants and Donations Trust Fund to purchase prescription drugs pursuant to the parameters of the Canadian Prescription Drug Importation Program as authorized by section 381.02035, Florida Statutes, for use in state programs outlined in section 381.02035(3), Florida Statutes. Funds expended by the agency for prescriptions utilized by clients of those state programs will be reimbursed to the agency by the appropriate state program office. Upon federal approval, the agency is authorized to submit a budget amendment pursuant to chapter 216, Florida Statutes. | |
| 16 | 191 | Funds in Specific Appropriation 191 are provided to the Agency for Health Care Administration for the modular replacement of the Florida Medicaid Management Information System and fiscal agent that complies with all applicable federal and state laws and requirements, including, but not limited to, the Centers for Medicare and Medicaid Services Interoperability and Patient Access Rule CMS-9115. These funds shall be held in reserve and are contingent upon HB 5003 becoming a law. The agency is authorized to submit quarterly budget amendments to request release of funds being held in reserve pursuant to the provisions of chapter 216, Florida Statutes, and based on the agency's planned quarterly expenditures. Release is contingent upon approval of a detailed operational work plan and a monthly spend plan that identifies all project work and costs budgeted for Fiscal Year 2022-2023. The agency shall submit monthly project status reports to the Executive Office of the Governor's Office of Policy and Budget, the chair of the Senate Committee on Appropriations, the chair of the House of Representatives Appropriations Committee, and the Florida Digital Service. Each status report must include progress made to date for each project milestone, deliverable, and task order, planned and actual deliverable completion dates, planned and actual costs incurred, and any project issues and risks. | House | Funds in Specific Appropriation 191 are provided to the Agency for Health Care Administration for the modular replacement of the Florida Medicaid Management Information System and fiscal agent that complies with all applicable federal and state laws and requirements, including, but not limited to, the Centers for Medicare and Medicaid Services Interoperability and Patient Access Rule CMS-9115. These funds shall be held in reserve and are contingent upon Senate Proposed Bill 2502 becoming a law. Upon submission of a comprehensive operational work plan identifying all project work and a monthly spend plan detailing estimated and actual costs, the agency is authorized to submit quarterly budget amendments to request release of funds being held in reserve pursuant to the provisions of chapter 216, Florida Statutes, and based on the agency's planned quarterly expenditures. The agency shall submit monthly project status reports to the Executive Office of the Governor's Office of Policy and Budget, the Enterprise Florida First Technology Center, the chair of the Senate Appropriations Committee, and the chair of the House Appropriations Committee. Each status report must include copies of each task order and the progress made to date for each project milestone, deliverable, and task order, planned and actual deliverable completion dates, planned and actual costs incurred, and any project issues and risks. The agency shall consult with the Executive Office of the Governor's working group for interagency information technology integration for the development of competitive solicitations that provide for data interoperability and shared information technology services across the state's health and human services agencies. | |

|-----|---------------|--|-------------------|---|--------------------------|
| 17 | 191 | | Open Budget Issue | From the funds in Specific Appropriation 191, the following maximum amounts are appropriated solely and exclusively for these project components authorized for competitive procurement: | |
| 18 | 191 | | Open Budget Issue | Implementation of an Enterprise Data Warehouse and Data Governance..... 16,460,735 Operations and Maintenance of an Integration Platform and Integration Services for Existing Systems and New Modules..... 29,454,480 Strategic Planning, Program Management, and Project Management Activities..... 139,924 Independent Verification and Validation Services..... 3,230,996 | |
| 19 | 191 | | Open Budget Issue | From the funds in Specific Appropriation 191, the following maximum amounts are appropriated solely and exclusively for these project components authorized for competitive procurement for fixed price deliverables based contracts, for which the agency shall issue Invitations to Negotiate pursuant to chapter 287, Florida Statutes: | |
| 20 | 191 | | Open Budget Issue | Core Fiscal Agent Procurement and Implementation..... 22,945,610 Provider Module Procurement and Implementation..... 6,482,202 Unified Operations Center..... 8,065,234 Pharmacy Benefits Management..... 439,280 | |
| 21 | 191 | From the funds in Specific Appropriation 191, \$3,230,996 is provided to competitively procure a private sector provider with experience in conducting independent verification and validation (IV&V) services of public sector information technology projects to provide IV&V services for all department and vendor staff working to implement the initiative. The contract shall require that all deliverables be simultaneously provided to the agency, the Centers for Medicare and Medicaid Services, the Executive Office of the Governor's Office of Policy and Budget, the chair of the Senate Committee on Appropriations, the chair of the House of Representatives Appropriations Committee, and the Florida Digital Service. | Open Budget Issue | From the funds provided in Specific Appropriation 191, \$3,230,996 is provided to the Agency for Health Care Administration to competitively procure a private sector provider with experience in conducting independent verification and validation services of public sector information technology projects to provide independent verification and validation services for all agency staff and vendor work needed to implement the initiative. The contracted provider shall be made readily available to provide all project related data to the Enterprise Florida First Technology Center in support of their project oversight responsibilities pursuant to section 282.0051, Florida Statutes. The contract shall require that all deliverables be simultaneously provided to the agency, the Centers for Medicare and Medicaid Services, the Enterprise Florida First Technology Center, the Executive Office of the Governor's Office of Policy and Budget, the chair of the Senate Appropriations Committee, and the chair of the House Appropriations Committee. | |
| 22 | 197 | From the funds in Specific Appropriation 197 through 224, the Agency for Health Care Administration shall provide a quarterly reconciliation report of all Medicaid service appropriation expenditures and fund sources. The reconciliation shall compare actual expenditures paid through each specific appropriation category by fund either through the Florida Medicaid Management Information System (FMMIS) or the Agency for Health Care Administration to expenditure estimates forecasted through the Social Services Estimating Conference Medicaid Services forecasting model, as directed in section 216.136(6), Florida Statutes. The comparison shall include fund source detail for each comparison. For any category where a variance is identified, the agency shall submit a written corrective action plan to address each variance by category and fund source. The reconciliation shall be submitted to the Office of the Governor, the President of the Senate, and the Speaker of the House of Representatives no later than 30 days after the close of each quarter. The agency may submit budget amendments to the Legislative Budget Commission to realign appropriation categories based on the reconciliation pursuant to the provisions of chapter 216, Florida Statutes. | Senate | From the funds in Specific Appropriations 197 through 224, the Agency for Health Care Administration shall provide a quarterly reconciliation report of all Medicaid service appropriation expenditures and fund sources. The reconciliation shall compare actual expenditures paid through each specific appropriation category by fund either through the Florida Medicaid Management Information System (FMMIS) or the Agency for Health Care Administration to expenditure estimates forecasted through the Social Services Estimating Conference Medicaid services forecasting model, as directed in section 216.136(6), Florida Statutes. |-----|---------------|--|---|--|--|
| 22a | 197 | | New | | The Agency for Health Care Administration shall conduct a review and provide a written report, to be published on their website, that identifies the total number of Medicaid enrollees diagnosed with sickle cell disease. The agency shall also identify enrollees within the general sickle cell patient population who have experienced two or more emergency room visits or two or more hospital inpatient admissions in 12-month period. For both of those populations, the Agency shall provide detailed information including: age and population demographics, health care utilization patterns and expenditures for all pharmaceutical and medical services provided, the number of clinical treatment programs available and contracted with managed care plans for the care of Medicaid enrollees that are specifically designed or certified to provide health care coordination and health care access for individuals with sickle cell disease. The agency shall submit the report to the Governor, the President of the Senate, the Speaker of the House of Representatives, Florida Department of Health Office of Minority Health and Health Equity and Rare Disease Advisory Council by February 1, 2023. |
| 23 | 200 | From the funds in Specific Appropriation 200, \$8,673,569 from the General Revenue Fund and \$1,000,000 from the Grants and Donations Trust Fund shall be primarily designated for transfer to the Agency for Health Care Administration's Grants and Donations Trust Fund for use in the Medicaid program. Should the agency be unable to use the full amount of these designated funds as Medicaid match, the remaining funds may be used secondarily for payments to Shands Teaching Hospital to continue the original purpose of providing health care services to indigent patients through Shands Healthcare System (recurring base appropriation project). | Appropriations Projects - Refer to budget spreadsheet | From the funds in Specific Appropriation 200, the recurring sums of \$8,673,569 from the General Revenue Fund and \$1,000,000 from the Grants and Donations Trust Fund, and the nonrecurring sum of \$500,000 from the General Revenue Fund (Senate Form 2681), shall be primarily designated for transfer to the Agency for Health Care Administration's Grants and Donations Trust Fund for use in the Medicaid program. Should the agency be unable to use the full amount of these designated funds as Medicaid match, the remaining funds may be used secondarily for payments to Shands Teaching Hospital to continue the original purpose of providing health care services to indigent patients through Shands Healthcare System (recurring base appropriation project). | |
| 24 | 202 | From the funds in Specific Appropriation 202, \$38,628,100 from the General Revenue Fund, \$39,700,000 from the Grants and Donations Trust Fund, and \$118,971,900 from the Medical Care Trust Fund are provided to fund the Statewide Medicaid Residency Program and the Graduate Medical Education Startup Bonus Program. Of these funds, \$97,300,000 shall be used to fund the Statewide Medicaid Residency Program in accordance with section 409.909(3), Florida Statutes. Of these funds, \$42,262,976 shall be distributed to the two hospitals with the largest number of graduate medical residents in statewide supply/demand deficit. The remaining funds shall be used to fund the Graduate Medical Education Startup Bonus Program in accordance with section 409.909(5), Florida Statutes, and are provided for the following physician specialties and subspecialties, both adult and pediatric, that are in statewide supply/demand deficit: allergy or immunology; anesthesiology; cardiology; colon and rectal surgery; emergency medicine; endocrinology; family medicine; gastroenterology; general internal medicine; geriatric medicine; hematology; oncology; infectious diseases; neonatology; nephrology; neurological surgery; obstetrics/gynecology; ophthalmology; orthopedic surgery; pediatrics; physical medicine and rehabilitation; plastic surgery / reconstructive surgery; psychiatry; pulmonary / critical care; radiation oncology; rheumatology; thoracic surgery; urology; and vascular surgery. Funding for the Graduate Medical Education Startup Bonus Program is contingent on the nonfederal share being provided through intergovernmental transfers in the Grants and Donation Trust Fund. | Identical | From the funds in Specific Appropriation 202, \$38,628,100 from the General Revenue Fund, \$39,700,000 from the Grants and Donations Trust Fund, and \$118,971,900 from the Medical Care Trust Fund are provided to fund the Statewide Medicaid Residency Program and the Graduate Medical Education Startup Bonus Program. |-----|---------------|---|----------------|--|--------------------------|
| 25 | 202 | From the funds in Specific Appropriation 202, \$5,796,200 from the Grants and Donations Trust Fund and \$8,803,800 from the Medical Care Trust Fund are provided to fund FTEs in primary care as defined in section 409.909, Florida Statutes, and training in Medicaid regions with traditional primary care demand greater than supply by 85 percent or more as documented in the IHS Markit Florida Statewide and Regional Physician Workforce Analysis: 2019 to 2035, 2021 Update to Projections of Supply and Demand: Exhibit 23 Physician Gap divided by Supply by Specialty and Medicaid Region, 2035. Of these funds \$3,600,000 are provided to fund up to \$100,000 per newly approved internal medicine residency slot effective as of September 2021. The second distribution of these funds in the amount of \$4,500,000 shall be distributed proportionally per-FTE to hospitals with greater than or equal to 14 percent Medicaid utilization, based on the 2020 Florida Hospital Uniform Reporting System data as of November 1, 2021. The remaining funds shall be distributed proportionally per the filled State Fiscal Year 2021-2022 Medicaid approved Graduate Medical Education FTEs. Payments to providers under this section of proviso are contingent upon approval of the nonfederal share provided through intergovernmental transfers in the Grants and Donations Trust Fund. In the event the funds are not available in the Grants and Donations Trust Fund, the State of Florida is not obligated to make payments under this section of proviso. | Identical | From the funds in Specific Appropriation 202, \$5,796,200 from the Grants and Donations Trust Fund and \$8,803,800 from the Medical Care Trust Fund are provided to fund FTEs in primary care as defined in section 409.909, Florida Statutes, and training in Medicaid regions with traditional primary care demand greater than supply by 85 percent or more as documented in the IHS Markit Florida Statewide and Regional Physician Workforce Analysis: 2019 to 2035, 2021 Update to Projections of Supply and Demand: Exhibit 23 Physician Gap divided by Supply Specialty and Medicaid Region, 2035. | 63 | 208 | From the funds in Specific Appropriation 208, the Agency for Health Care Administration shall apply a recurring methodology to establish clinic services rates taking into consideration the reductions imposed on or after October 1, 2008, in the following manner: (1) the agency shall divide the total amount of each recurring reduction imposed by the number of visits originally used in the rate calculation for each rate setting period on or after October 1, 2008, which will yield a rate reduction per diem for each rate period; (2) the agency shall multiply the resulting rate reduction per diem for each rate setting period on or after October 1, 2008, by the projected number of visits used in establishing the current budget estimate which will yield the total current reduction amount to be applied to current rates; (3) in the event the total current reduction amount is greater than the historical reduction amount, the agency shall hold the rate reduction to the historical reduction amount. | Identical | From the funds in Specific Appropriation 208, the Agency for Health Care Administration shall apply a recurring methodology to establish clinic services rates taking into consideration the reductions imposed on or after October 1, 2008, in the following manner: (1) the agency shall divide the total amount of each recurring reduction imposed by the number of visits originally used in the rate calculation for each rate setting period on or after October 1, 2008, which will yield a rate reduction per diem for each rate period; (2) the agency shall multiply the resulting rate reduction per diem for each rate setting period on or after October 1, 2008, by the projected number of visits used in establishing the current budget estimate which will yield the total current reduction amount to be applied to current rates; (3) in the event the total current reduction amount is greater than the historical reduction amount, the agency shall hold the rate reduction to the historical reduction amount. | |
| 64 | 208 | From the funds in Specific Appropriations 208 and 211, \$400,000 from the Grants and Donations Trust Fund and \$607,556 from the Medical Care Trust Fund are provided to buy back clinic services rate adjustments, effective on or after July 1, 2008, and are contingent on the nonfederal share being provided through grants and donations from state, county or other governmental funds. Authority is granted to buy back rate reductions up to, but not higher than, the amounts available under the authority appropriated in this Specific Appropriation. In the event that the funds are not available in the Grants and Donations Trust Fund, the State of Florida is not obligated to continue reimbursements at the higher amount. | Identical | From the funds in Specific Appropriations 208 and 211, \$400,000 from the Grants and Donations Trust Fund and \$607,556 from the Medical Care Trust Fund are provided to buy back clinic services rate adjustments, effective on or after July 1, 2008, and are contingent on the nonfederal share being provided through grants and donations from state, county or other governmental funds. | 68 | 209 | From funds in Specific Appropriation 209, \$2,878,101 from the General Revenue Fund and \$4,371,524 from the Medical Care Trust Fund are provided to the Agency for Health Care Administration for a uniform rate increase for the hourly minimum wage to \$13.00 per hour. The funds shall be used exclusively to increase the salaries of direct care staff. The agency must submit a report to the chair of the Senate Appropriations Committee and the chair of the House Appropriations Committee by December 1, 2022, that evaluates the impact of the rate increase on the average salary of direct care staff. | Modified | | From funds in Specific Appropriation 209, \$5,824,016 from the General Revenue Fund and \$8,846,049 from the Medical Care Trust Fund are provided to the Agency for Health Care Administration for a uniform rate increase for the hourly minimum wage to \$15.00 per hour. The funds shall be used exclusively to increase the salaries of direct care staff. The agency must submit a report to the chair of the Senate Appropriations Committee and the chair of the House Appropriations Committee by December 1, 2022, that evaluates the impact of the rate increase on the average salary of direct care staff. |
| 69 | 209 | | House | From the funds in Specific Appropriation 209, \$5,824,016 in recurring funds from the General Revenue Fund and \$8,846,049 in recurring funds from the Medical Care Trust Fund are appropriated for the sole purpose of raising wages of employees of Medicaid providers who provide services under the Florida Medicaid Program to at least \$15.00 per hour. | |
| 70 | 209 | | House | In order to receive funds as a result of the increased rate, a provider must enter into a Memorandum of Understanding (MOU) with the Agency for Health Care Administration. The MOU must require the provider to agree to pay each of its employees at least \$15.00 per hour. The MOU shall include an attestation under penalty of perjury under section 837.012, Florida Statutes, stating that every employee of the provider, as of October 1, 2022, will be paid at least \$15.00 per hour. | |
| 71 | 209 | | House | These funds shall be placed in reserve. The agency is authorized to submit budget amendments requesting the release of these funds pursuant to the provisions of chapter 216, Florida Statutes. Release is contingent upon the receipt of MOUs from at least 80 percent of Medicaid providers who provide services under the Florida Medicaid Program. | |
| 72 | 209 | | House | Beginning January 1, 2023, an employee of a provider receiving an increased rate that is not receiving a wage of at least \$15.00 per hour may bring a civil action in a court of competent jurisdiction against his or her provider and, upon prevailing, shall recover the full amount of any back wages unlawfully withheld plus the same amount as liquidated damages, and shall be awarded reasonable attorney's fees and costs. In addition, they shall be entitled to such legal or equitable relief as may be appropriate to remedy the violation including, without limitation, reinstatement in employment and/or injunctive relief. Such actions may be brought as a class action pursuant to Rule 1.220 of the Florida Rules of Civil Procedure. | |
| 73 | 210 | From the funds in Specific Appropriation 210, \$23,685,614 from the Grants and Donations Trust Fund and \$35,975,881 from the Medical Care Trust Fund are provided for a differential fee schedule paid as supplemental payments for services provided by doctors of medicine, osteopathy, and dentistry as well as other licensed health care practitioners acting under the supervision of those doctors pursuant to existing statutes and written protocols employed by or under contract with a medical or dental school or a public hospital in Florida. Payments to providers under this section of proviso are contingent upon the nonfederal share being provided through intergovernmental transfers in the Grants and Donations Trust Fund. In the event the funds are not available in the Grants and Donations Trust Fund, the State of Florida is not obligated to make payments under this section of proviso. | Identical | From the funds in Specific Appropriation 210, \$23,685,614 from the Grants and Donations Trust Fund and \$35,975,881 from the Medical Care Trust Fund are provided for a differential fee schedule paid as supplemental payments for services provided by doctors of medicine, osteopathy, and dentistry as well as other licensed health care practitioners acting under the supervision of those doctors pursuant to existing statutes and written protocols employed by or under contract with a medical or dental school or a public hospital in Florida. | 103 | 220 | From funds in Specific Appropriation 220, \$6,864,862 from the General Revenue Fund and \$10,426,982 from the Medical Care Trust Fund are provided to the Agency for Health Care Administration for a uniform rate increase for the hourly minimum wage to \$13.00 per hour. The funds shall be used exclusively to increase the salaries of direct care staff. The agency must submit a report to the chair of the Senate Appropriations Committee and the chair of the House Appropriations Committee by December 1, 2022, that evaluates the impact of the rate increase on the average salary of direct care staff. | Modified | | From funds in Specific Appropriation 220, \$13,891,474 from the General Revenue Fund and \$21,099,645 from the Medical Care Trust Fund are provided to the Agency for Health Care Administration for a uniform rate increase for the hourly minimum wage to \$15.00 per hour. The funds shall be used exclusively to increase the salaries of direct care staff. The agency must submit a report to the chair of the Senate Appropriations Committee and the chair of the House Appropriations Committee by December 1, 2022, that evaluates the impact of the rate increase on the average salary of direct care staff. |
| 104 | 220 | | House | From the funds in Specific Appropriation 220, \$13,891,474 in recurring funds from the General Revenue Fund and \$21,099,645 in recurring funds from the Medical Care Trust Fund are appropriated for the sole purpose of raising wages of employees of Medicaid providers who provide services under the Florida Medicaid Program to at least \$15.00 per hour. | |
| 105 | 220 | | House | In order to receive funds as a result of the increased rate, a provider must enter into a Memorandum of Understanding (MOU) with the Agency for Health Care Administration. The MOU must require the provider to agree to pay each of its employees at least \$15.00 per hour. The MOU shall include an attestation under penalty of perjury under section 837.012, Florida Statutes, stating that every employee of the provider, as of October 1, 2022, will be paid at least \$15.00 per hour. | |
| 106 | 220 | | House | These funds shall be placed in reserve. The agency is authorized to submit budget amendments requesting the release of these funds pursuant to the provisions of chapter 216, Florida Statutes. Release is contingent upon the receipt of MOUs from at least 80 percent of Medicaid providers who provide services under the Florida Medicaid Program. | |
| 107 | 220 | | House | Beginning January 1, 2023, an employee of a provider receiving an increased rate that is not receiving a wage of at least \$15.00 per hour may bring a civil action in a court of competent jurisdiction against his or her provider and, upon prevailing, shall recover the full amount of any back wages unlawfully withheld plus the same amount as liquidated damages, and shall be awarded reasonable attorney's fees and costs. In addition, they shall be entitled to such legal or equitable relief as may be appropriate to remedy the violation including, without limitation, reinstatement in employment and/or injunctive relief. Such actions may be brought as a class action pursuant to Rule 1.220 of the Florida Rules of Civil Procedure. | |
| 108 | 220 | From the funds in Specific Appropriation 220, \$11,756,545 from the General Revenue Fund and \$17,856,918 from the Medical Care Trust Fund are provided for an Intermediate Care Facilities/Developmentally Disabled (ICF/DD) rate increase. | House | | |

| 144 | 245 | From the funds in Specific Appropriation 245, \$16,666,667 from the General Revenue Fund and \$25,314,861 from the Operations and Maintenance Trust Fund are provided to expand the Home and Community Based Services Waiver by removing the greatest number of individuals permissible under the additional funding from the waiting list. | Open Budget Issue | | |
| 145 | 245 | From funds in Specific Appropriation 245, \$82,177,900 from the General Revenue Fund and \$124,819,328 from the Operations and Maintenance Trust Fund are provided to the Agency for Persons with Disabilities for a uniform rate increase for the hourly minimum wage to \$13.00 per hour. The funds shall be used exclusively to increase the salaries of direct care staff. The agency must submit a report to the chair of the Senate Appropriations Committee and the chair of the House Appropriations Committee by December 1, 2022, that evaluates the impact of the rate increase on the average salary of direct care staff. | Modified | | From funds in Specific Appropriation 245, \$151,468,885 from the General Revenue Fund and \$124,819,328 from the Operations and Maintenance Trust Fund are provided to the Agency for Persons with Disabilities for a uniform rate increase for the hourly minimum wage to \$13.00 per hour. The funds shall be used exclusively to increase the salaries of direct care staff. The agency must submit a report to the chair of the Senate Appropriations Committee and the chair of the House Appropriations Committee by December 1, 2022, that evaluates the impact of the rate increase on the average salary of direct care staff. |
| 146 | 245 | | House | From the funds in Specific Appropriation 245, \$151,468,885 in recurring funds from the General Revenue Fund and \$230,064,830 in recurring funds from the Operations and Maintenance Trust Fund are appropriated for the sole purpose of raising wages of direct service providers who provide services under Florida's Developmental Disabilities Individual Budgeting Waiver to at least \$15.00 per hour. | |
| 147 | 245 | | House | In order to receive funds as a result of the increased rate, a provider must enter into a Memorandum of Understanding (MOU) with the agency. The MOU must require the provider to agree to pay each of its direct service providers at least \$15.00 per hour. The MOU shall include an attestation under penalty of perjury under section 837.012, Florida Statutes, stating that every direct service provider, as of October 1, 2022, will be paid at least \$15.00 per hour. | |
| 148 | 245 | | House | These funds shall be placed in reserve. The agency is authorized to submit budget amendments requesting the release of these funds pursuant to the provisions of chapter 216, Florida Statutes. Release is contingent upon the receipt of MOUs from at least 80 percent of providers under the Florida's Developmental Disabilities Individual Budgeting Waiver. | |
| 149 | 245 | | House | Beginning January 1, 2023, a direct service provider not receiving a wage of at least \$15.00 per hour may bring a civil action in a court of competent jurisdiction against his or her provider and, upon prevailing, shall recover the full amount of any back wages unlawfully withheld plus the same amount as liquidated damages, and shall be awarded reasonable attorney's fees and costs. In addition, they shall be entitled to such legal or equitable relief as may be appropriate to remedy the violation including, without limitation, reinstatement in employment and/or injunctive relief. Such actions may be brought as a class action pursuant to Rule 1.220 of the Florida Rules of Civil Procedure. | |

|-----|---------------|--|---|---|--------------------------|
| 234 | 374A | | House | From the funds provided in Specific Appropriation 374A, the nonrecurring sum of \$8,267,851 from the General Revenue Fund, which was awarded, in part, under the Consent Judgement in State of Florida v. McKinsey & Company, shall be used by the Department of Children and Families towards the abatement of opioid misuse. Consistent with the Consent Judgement's explicit requirement that settlement funds be used only in connection with the opioid epidemic, the department shall use these funds to provide additional treatment such as medication-assisted treatment, abstinence-based treatment, or other evidence-based programs for opioid use disorder. | |
| 235 | 374A | | House | From the funds in Specific Appropriation 374A, the nonrecurring sum of \$3,000,000 from the General Revenue Fund, which was awarded, in part, under the Consent Judgement in State of Florida v. McKinsey & Company, shall be provided to the Department of Children and Families for the managing entities to implement care coordination among provider organizations that treat individuals with substance abuse disorders. | |
| 236 | 374A | | House | From the funds in Specific Appropriation 374A, the nonrecurring sum of \$500,000 from the General Revenue Fund, which was awarded, in part, under the Consent Judgement in State of Florida v. McKinsey & Company, shall be provided to the Department of Children and Families for the managing entities to facilitate community engagement in assessing cultural health disparities, to develop strategies that engage minority populations with community services, and to enhance the awareness of mental health and substance abuse services available to minority communities. | |
| 237 | 377 | | Senate | Funds in Specific Appropriation 377 include nonrecurring funds of \$54,176,305 from the Community Mental Health Block Grant and \$54,535,333 from the Community Substance Abuse Prevention Block Grant through funds made available to the state through the Supplemental Covid Relief and American Rescue Plan. The funds are for activities and services to individuals, families, and communities affected by substance use disorders, to adults with Serious Mental Illness (SMI), or to children with Serious Emotional Disturbance (SED). These funds shall prioritize the treatment and support of individuals without insurance, of services not covered by the Children's Health Insurance Program (CHIP), Medicaid, Medicare, or of services not covered by the private insurance of indigent populations but have demonstrated success in improving treatment outcomes or supporting recovery. | |
| 238 | 380 | Funds in Specific Appropriation 380 are provided for the administrative costs of the seven regional managing entities that deliver behavioral health care through local network providers. | Identical | Funds in Specific Appropriation 380 are provided for the administrative costs of the seven regional managing entities that deliver behavioral health care through local network providers. | |
| 239 | 381 | From the funds in Specific Appropriation 381, \$9,921,030 from the General Revenue Fund may be provided as the state match for Medicaid reimbursable services provided through the Florida Assertive Community Treatment (FACT) Team services in Specific Appropriation 208. | House | From the funds in Specific Appropriation 381, \$9,681,126 from the General Revenue Fund may be provided as the state match for Medicaid reimbursable services provided through the Florida Assertive Community Treatment (FACT) Team services in Specific Appropriation 208. | |

| 362 | | VETERANS' AFFAIRS, DEPARTMENT OF | | | |
| 363 | | From the funds in Specific Appropriations 553 through 580, the Department of Veterans' Affairs shall provide a monthly reconciliation report for all Operations and Maintenance Trust Fund expenditures and revenues. The report shall include actual expenditures to date by category and revenue collections to date for each month and shall be reconciled to state accounting records. The Department shall provide applicable state accounting reports to validate the reconciliation report. The report shall also include expenditure projections by category and revenue projections for the remainder of the fiscal year by month; census data for each nursing home or domiciliary operated by the department by month; census data and anticipated opening dates for the new state veterans' nursing homes, and a report of departmental use of contract nurse staffing agencies. In the event projected revenues are not sufficient to cover projected expenditures, the department shall submit a written corrective action plan to address each deficit by category. The corrective action plan shall prioritize reducing departmental administrative costs in the Executive Direction and Support Services program first in lieu of reductions to Veterans' Benefits or Nursing home expenditures. The report shall be provided to the Governor, the President of the Senate and the Speaker of the House of Representatives no later than 30 days after the last business day of the preceding month. In the event the department fails to provide the report or any of the specific data points within the specified times frames, the Executive Office of the Governor shall place the remaining salary and benefit appropriations for the Executive Direction and Support Services entity into departmental reserve. The Department of Veterans' Affairs is authorized to submit budget amendments in accordance with chapter 216, Florida Statutes to release these funds upon compliance with this proviso. | House | From the funds in Specific Appropriations 553 through 578, the Department of Veteran Affairs shall provide monthly surplus deficit reports for the Operations and Maintenance Trust Fund to the chair of the Senate Appropriations Committee, the chair of the House Appropriations Committee, and the Executive Office of the Governor's Office of Policy and Budget. The report shall include actual and projected revenues, and actual and projected expenditures by budget entity and appropriation category. Expenditures for the Veterans' Homes Budget Entity must be provided by each State Veteran Nursing Home. Each monthly surplus deficit report must be submitted within 15 days after the last business day of the preceding month. From the funds in Specific Appropriations 553 through 578, the Department of Veteran Affairs shall make a recommendation on the location of the tenth state veterans' nursing home to the Governor and the Cabinet no later than August 1, 2022. | |
| 364 | 555 | From the funds in Specific Appropriation 555, \$22,324,881 from the Operations and Maintenance Trust Fund shall be placed in reserve. | Senate | | |
