13	From the funds in Specific Appropriation 1821, \$6,000,000 shall be used by the Commission for the Transportation Disadvantaged to continue the Innovative Service Development Grant program. Funds shall be used to provide competitive grants to community transportation coordinators and non-traditional transportation service providers, such as transportation network companies, that provide door-to-door, on-demand, or scheduled transportation services for innovative service delivery that is more cost efficient for the program and time efficient for users. Projects serving a single county may receive up to \$750,000; projects serving multiple counties with a goal of providing regional mobility may receive a maximum of \$1,500,000. A ten percent local match is required for all grants. All funds shall be used to provide direct services to transportation disadvantaged clients.			13

631			From the funds provided in Specific Appropriation 2929, the nonrecurring sum of \$800,000 from the General Revenue Fund is provided to the Department of State for the implementation of a Business Verification System. Of these funds, 75 percent shall be placed in reserve. All general revenue not held in reserve shall be fully released. The department is authorized to submit quarterly budget amendments to request release of funds pursuant to chapter 216, Florida Statutes, and based on the department's planned quarterly expenditures. Release is contingent upon the submission of a revised, accurate, and comprehensive operational work plan and a monthly spend plan with expenditures broken out by deliverable that demonstrates appropriate project progression and identifies all project work and costs budgeted for Fiscal Year 2025-2026. The department shall submit quarterly project status reports to the Executive Office of the Governor's Office of Policy and Budget, the chair of the Senate Appropriations Committee, and the chair of the House Budget Committee no later than thirty days from the close of the quarter. Each status report must include progress made to date for each project milestone, deliverable, and task order, planned and actual completion dates, planned and actual costs incurred, and any current project issues and risks.	631
