Local Funding Initiative Request - Fiscal Year 2018-2019

1. **Title of Project:** Haney Technical Center Automotive Service Technology Funding Request

2. **Senate Sponsor:** George Gainer

3. **Date of Submission:** 10/10/2017

4. **Project/Program Description:**

This \$894000 budget renovation request for the Automotive Service Technology program will allow outdated facilities which have not been renovated since original building construction in 1970 to meet current industry standards. This program operates at full capacity with wait lists for enrollment and a solid four year average job placement rate of 80%. There are currently 622 regional job openings with high anticipated growth. Entry level positions start at \$34,000 annually. This renovation will alleviate safety concerns, update technology and facilities, and prepare our students to meet the needs of industry upon graduation.

11. Program Performance:

a. What is the specific purpose or goal that will be achieved by the funds requested?

The renovation and upgrade of the existing outdated facility will allow industry-level instruction to meet the needs of local and regional employers. Safety issues such as poor lighting and dated equipment will be replaced. Facilities that are in poor condition will be upgraded. Technology will be updated to meet current industry standards in order to better prepare students to enter the workforce.

b. What are the activities and services that will be provided to meet the intended purpose of these funds?

With the renovation of this building, we can expand enrollment and better meet the training needs of industry. Updated facilities will allow the level of instruction to meet current industry standards and retain NATEF and ASE certification. With approximately 849 job openings projected in the next eight years, we can produce highly-trained students to fill these needs and boost the economy.
