Local Funding Initiative Request - Fiscal Year 2018-2019

1. Title of Project: Home Delivered Meals for Elderly in Northeast Florida

Senate Sponsor: Aaron Bean
 Date of Submission: 12/01/2017

4. Project/Program Description:

To provide home delivered meals to frail, homebound elderly residents in Northeast Florida consisting of Baker, Clay, Duval, Flagler, Nassau, St. Johns and Volusia Counties. According to the Department of Elder Affairs' 2015 Profile of Older Floridians, 40,135 adults aged 60 and over, face food insecurity every day in Northeast Florida. Since 2007, the number of seniors experiencing the threat of hunger has increased by nearly 50%. Food insecure seniors are 53% more likely to report a heart attack, 52% more likely to develop asthma, 60% more likely to experience depression, and 40% more likely to experience limitations in the daily activities such as eating, dressing and bathing than seniors who are not experiencing food insecurity. More than 2,000 older adults are on the waiting list for home delivered meals in our seven counties. These individuals are frail, disabled, and homebound and have no one available to provide assistance with meal preparation.

_Frail, homebound older adults who are on the home delivered meal waitlist. 1,000 older adults will be served

f. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

This program provides meals to older adults who are on the waitlist for home delivered meals. In order to be on the home delivered meal waitlist, older adults are frail, disabled, and homebound and have no one available to help with meal preparation. In addition to a nutritious meal, the program provides a safety check, and sometimes the only opportunity for face-to-face contact. This reduces isolation and links older adults to other services if needed. Each client is assessed to evaluate a number of factors including their nutrition status. Questions include how many meals a day a person eats, their nutritional intake such as fruits and vegetables and dairy, their ability to shop for food, their ability to prepare their own meals and their ability to afford food.

- g. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

 Providers that are not meeting deliverables will be placed on a corrective action plan and if performance continues to fall short of targets, funds can be shifted to providers who are exceeding targets and have capacity to serve additional seniors.
- 12. The owner(s) of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owner(s) of the facility and the entity.
