11. Program Performance:

a. What is the specific purpose or goal that will be achieved by the funds requested?
   To provide training in home for visually impaired citizens to remain independent in their homes. The majority of training would be in their home but may take place at our center if needed.

b. What are the activities and services that will be provided to meet the intended purpose of these funds?
   Educational services in clients homes to help maintain their independence. The majority of training would be in their home but may take place at our center if needed.

c. What are the direct services to be provided to citizens by the appropriations project?
   Clients will be given on average anywhere from 3 to 15 lessons in compensatory skills. Length of training depends on severity and speed of onset and ability to remain independent in their home.

d. Who is the target population served by this project? How many individuals are expected to be served?
   Visually Impaired and Blind citizens of Collier County, all ages. Approximately 25-50.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?
   A Comprehensive Functional Assessment which helps to determine goals is completed with the therapist before lessons are started and after training is complete. Therapist will consider a goal met when a client can master said goal 3 out of 3 times. Overall program success is measured by at least 85% of the participants meeting their individual goals.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?
   None
