4. **Project/Program Description:**

   This project requests funding to install a backup generator at the Florida Department of Health facility (owned by Leon County) located at 872 West Orange Avenue in Tallahassee. With a backup generator, this facility would be able to serve as a secondary shelter location for citizens with special medical needs following a disaster. At this time the primary special needs shelter in Leon County is located at Florida High School. This project would also allow the primary special needs shelter to demobilize more quickly after a disaster and reopen for school-related functions by providing an alternate location to accommodate special needs shelterees.
