## 11. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

The goal that will be achieved from this project is to reduce localized flooding, eliminate standing rainwater, reduce the probability of mosquito-transmitted diseases to the public, and mitigate flood impacts on property and life.

b. What activities and services will be provided to meet the intended purpose of these funds?

Activities and services to be provided include surveying, geotechnical exploration, design, permitting and construction of the drainage system, featuring the installation of stormwater pipes, exfiltration trenches (French Drains), manholes, pollution retardant baffles, catch basins, and resurfacing and restoring of the existing roadway surfaces.

c. What direct services will be provided to citizens by the appropriation project?

Flood mitigation and protection of property and life.

d. Who is the target population served by this project? How many individuals are expected to be served?

Residents of the Town of Miami Lakes. Approximately 230 residential properties in the Royal Oaks community will be served.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Expected benefits include improved drainage, reduced localized flooding, increased drainage capacity, improved stormwater runoff, eliminated standing rainwater, reduced probability of mosquito-transmitted diseases to the public, and reduced impact to property and life. Outcome will be measured by field inspection and documentation of rainfall events.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

No payment will be made for a request for reimbursement which does not include an updated summary of the project, dated invoices, checks paid by the contracting agency, and proof of payments via copies of deposited checks.
