11. Program Performance

- a. What specific purpose or goal will be achieved by the funds requested?

The city is looking to install enhanced ADA accessible pedestrian crossings which include LED lights and signage, as well as audible warning devices across Ocean Avenue connecting safe, independent pedestrian circulation as part of the town square project. This project will use state of the art accessible pedestrian crosswalk equipment that will promote pedestrian safety with an emphasis on disabled pedestrians.

- b. What activities and services will be provided to meet the intended purpose of these funds?

The funds will be utilized for ADA accessible pedestrian crossings which includes LED lights and signage, as well as audible warning devices across Ocean Avenue providing safe, independent pedestrian circulation for individuals with disabilities, as part of the Town Square project.

- c. What direct services will be provided to citizens by the appropriation project?

Citizens who are deaf or hard of hearing, blind or visually impaired, or who have mobility limitations, will directly benefit from using the ADA accessible crosswalk to get to and from government buildings, cultural venues, commercial businesses, and housing in the City of Boynton Beach's town square.

- d. Who is the target population served by this project? How many individuals are expected to be served?

The target population served by this project is the physically disabled in the City of Boynton Beach and Greater Palm Beach County. This project will also serve any visitors to the city's town square redevelopment.

- e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Providing inclusive, safe, and independent ADA accessible pedestrian crossings along Ocean Avenue in the heart of the city's town square redevelopment project. The methodology used to measure this benefit would be the number of incidents involving pedestrians and vehicles at these crossings along Ocean Avenue compared to previous years.

- f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

The city will forfeit the funds and repay the state.
