1	1	١.	Prog	gram	Perf	or	man	се

ā.	What specific purpose or goal will be achieved by the funds requested?
	Construction of emergency shelter and care center and hardening of a safe place.
b.	What activities and services will be provided to meet the intended purpose of these funds?
	A community center (emergency shelter and care center) would be operational during catastrophic events that can generate unique situations requiring unusual responses.
c.	What direct services will be provided to citizens by the appropriation project?
	The center would include the following: •Shelter •Feeding •Emergency First Aid •Bulk Distribution of Emergency Items •"Safe and Well" information.
d.	Who is the target population served by this project? How many individuals are expected to be served?
	City of South Bay. 6,000 people.
e.	What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?
	This facility would be supported by the American Red Cross, Palm Beach Sheriff's Office, and the local governing authority during a catastrophic event.
f.	What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?
	Failure to meet deliverables without notification of good reason will result in financial penalties as described in contract.
