11. Program Performance

- a. What specific purpose or goal will be achieved by the funds requested?

This project will complete Pembroke Road to serve as an east-west artery, linking US-1 on the eastside of Broward County with US-27 on the west, thereby improving the efficiency of Broward County's transportation system network. It will improve the accessibility and mobility of residents and visitors and improve access to employment and the mobility of goods. If this roadway is constructed, residents in the area will have access to a significantly faster and more direct evacuation route.

- b. What activities and services will be provided to meet the intended purpose of these funds?

Construction of a two-lane divided highway which will connect Pembroke Road from 196th Ave to US-27. Approximately a one mile segment.

- c. What direct services will be provided to citizens by the appropriation project?

Improved accessibility and mobility of residents and visitors; improved access to employment; improved mobility of goods; and accessibility to a significantly faster and direct evacuation route

- d. Who is the target population served by this project? How many individuals are expected to be served?

This project will serve a growing, diverse region which also hosts a large influx of visitors and seasonal residents: 165,000 residents of City of Pembroke Pines (41% Hispanic, 20% African American, 67% white; 24% under 18 and 15% over 65); 130,000 residents of the City of Miramar; and, Southwest Broward County – approximately 500,000 residents.

- e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Benefit: Improved public safety by providing a more direct evacuation route for southwest Broward County residents. Measurement: Traffic pattern study for Hazard Mitigation. Benefits: Improved transportation conditions, access to businesses and places of employment, and quality of visitor experiences in the affected Pembroke Pines and Miramar communities. Measurement: Traffic flow study on Pines Boulevard and Miramar Parkway.

- f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

Failure to meet deliverables and performance measures will result in reduction or total loss of funding.
