11. Program Performance

- a. What specific purpose or goal will be achieved by the funds requested?

The goal of this project is to digitize and archive the collection of state-owned historic documents and artifacts related to presidential history that have been donated to the Foundation so that these items can be better preserved and made available for viewing by those who may not be able to physically visit the museum.

- b. What activities and services will be provided to meet the intended purpose of these funds?

Digitizing and storing the state-owned artifacts and documents in the Harry S. Truman Little White House collection will help to preserve them and make these items available to a wider audience.

- c. What direct services will be provided to citizens by the appropriation project?

As a result of this project, students and residents throughout the state will have the ability to search and view the collection, even without a physical visit to the museum in Key West.

- d. Who is the target population served by this project? How many individuals are expected to be served?

This project will benefit students and residents of all ages throughout the state, country, and world who will have the ability to search and view the collection.

- e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Digitization of the archive and collection of presidential documents/objects owned by the state and held by the museum. The methodology is measured by current museum standards including preservation principles of historic memorabilia.

- f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?
