#### 11. Program Performance

- a. What specific purpose or goal will be achieved by the funds requested?

The City of Miami would purchase two Lenco BearCats for public safety and critical emergency situations. The vehicles will all be deployed before, during, and after hurricanes for disaster relief. These vehicles will be assigned to the South Florida Task Force II when a state of emergency is announced in Florida as well as other neighboring states. Most recently the task force has been deployed to North Carolina for Hurricane Matthew and Mexico Beach for Hurricane Michael.

- b. What activities and services will be provided to meet the intended purpose of these funds?

Provide quality safety during natural disasters. Help the state with disaster relief.

- c. What direct services will be provided to citizens by the appropriation project?

Medical and emergency response for citizens during natural disasters.

- d. Who is the target population served by this project? How many individuals are expected to be served?

State of Florida. South Florida Task Force II will use these vehicles in its emergency response efforts throughout the entire state and southeast region of the United States.

- e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Provide better service during unfavorable conditions.

- f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

Forfeit funds and subject to audit.
