11. Program Performance

- a. What specific purpose or goal will be achieved by the funds requested?

The new city hall will allow the city to have a more up to date office for the city to host meetings. The new city hall can also be used for future storm events like Hurricane Michael as a staging area and operating center.

- b. What activities and services will be provided to meet the intended purpose of these funds?

The new city hall will allow the city to have a more up to date location to host city meetings, special meetings, and other city business the city needs to conduct.

- c. What direct services will be provided to citizens by the appropriation project?

The new city hall will host various city meetings in the future and will accommodate more residents of the city who would like to attend.

- d. Who is the target population served by this project? How many individuals are expected to be served?

The entire City of Jacob.

- e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

To allow for the City of Jacob to have a meeting place to discuss matters within the city; host various city meetings and special meetings; and be a place of refuge following major storm events like Hurricane Michael.

- f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

None.
