### 12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

The goal is to provide cost effective law enforcement services and to improve services to citizens. Funds requested will provide the necessary start-up equipment and tools needed for establishing a municipal police department, i.e., radios, firearms, ballistic shields/helmets, body armor, stop sticks, uniforms, regional dispatch, computers, vehicles, RMS, AXON, etc. Approximately 20 jobs will be created in this financially disadvantaged community.

b. What activities and services will be provided to meet the intended purpose of these funds?

Purchase of first responder law enforcement required equipment and necessary tools needed for law enforcement personnel and for establishing a local police department to better protect and serve its citizenry.

c. What direct services will be provided to citizens by the appropriation project?

Direct services provided to its citizens are providing cost-effect first responder law enforcement services to better protect the citizenry and general public in the Town of Pembroke Park, which is a fiscally constrained municipality.

d. Who is the target population served by this project? How many individuals are expected to be served?

General Public; Individuals expected to serve are greater than 6,749 due the increase of the winter residents and tourist populations.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will
