Fixed Capital Construction/Majo	r Renovation:				
Construction/Renovation/Land/ Planning Engineering		0			
Total State Funds Requested (m	ust equal total from question #6)	350,000			

12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

This program creates a strong manufacturing workforce through standardized training and awareness of high-wage career paths within manufacturing. 95 adults trained, 75% graduation and 75% job placement; 75 high school students trained, 90% course completion.

b. What activities and services will be provided to meet the intended purpose of these funds?

Student recruitment, technical and work readiness training, student mentoring, career exposure and job shadowing, career fairs, and image and attraction campaign.

c. What direct services will be provided to citizens by the appropriation project?

Technical and work readiness training, student mentoring, career exposure and job shadowing, and career fairs.

d. Who is the target population served by this project? How many individuals are expected to be served?

Unemployed individuals, veterans, ex-offenders, individuals in career transition/seeking career enhancement, non-college bound youth, GED students, and incumbent manufacturing workers.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

95 adults trained, 75% graduation and 75% job placement; 75 high school students trained, 90% course completion. Quarterly performance reports on student enrollment, statistics on marketing campaigns, workforce comparisons, and industry surveys.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties

LFIR # 1384

for	failing t	to meet	deliverables or p	performance measures	provided for	the contract?
-----	-----------	---------	-------------------	----------------------	--------------	---------------

The appropriation will be a cost reimbursement grant in which the penalty for nonperformance would be no payment.

13.	3. The owners of the facility to receive, directly or indirectly, any fixed capital outlay funding. Inc	clude the
	relationship between the owners of the facility and the entity.
