Local Funding Initiative Request

Fiscal Year 2021-2022

LFIR # 1439

1. **Project Title**
2. **Senate Sponsor**
3. **Date of Request**

4. Project/Program Description

Apalachicola has many cracked and broken stormwater pipes, some of them nearly 100 years old, that contribute to severe flooding in residential and commercial areas during heavy rains and tropical storms. Stormwater outlets along the river and bay also suffer from major infiltration during high tides, causing further problems and damage. This project would re-line up to 500 feet of storm pipe with cured-in-place lining, and add backflow protection to 12 outlets.

12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

This project would re-line up to 500 feet of storm pipe with cured-in-place lining, and add backflow protection to 12 outlets.

b. What activities and services will be provided to meet the intended purpose of these funds?

The City of Apalachicola will provide a \$50,000 match.

c. What direct services will be provided to citizens by the appropriation project?

The stormwater system will be improved which will reduce the risk of future flooding.

d. Who is the target population served by this project? How many individuals are expected to be served?

The target population is the 2,450 residents of Apalachicola and its tens of thousands of annual visitors.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Reduced risk of future flooding in the area. The City of Apalachicola will work with other agencies to help measure the effectiveness of the project.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Any additional penalties necessary will be determined by the City of Apalachicola.

13. The owners of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owners of the facility and the entity.
