1. Project Title: Hardening of Fort Walton Beach Recreation Center for EOC Operations

2. Senate Sponsor: George Gainer

3. Date of Request: 02/01/2021

4. Project/Program Description:

   The FWB Recreation Center was opened in 2015 to the public. The $8.5 million facility was designed to withstand hurricane force winds, but does not meet the standards to be used as an Emergency Operations Center. In light of the devastation to Bay County and surrounding areas from Hurricane Michael and the overactive 2020 hurricane season, the City of Fort Walton Beach would like to utilize the FWB Recreation Center as an employee shelter and Emergency Operations Center in case of a disaster.

   The current city EOC is located at the Fort Walton Beach Police Department, which was built in 2001. That facility doesn't meet the current standards and also lies within the Category 5 storm surge area. The FWB Recreation Center is built to current codes and lies outside the Category 5 storm surge area.

5. State Agency to receive requested funds: Division of Emergency Management

   State Agency contacted? No

6. Amount of the Nonrecurring Request for Fiscal Year 2021-2022

9. Is future funding likely to be requested? No

   a. If yes, indicate nonrecurring amount per year.

   b. Describe the source of funding that can be used in lieu of state funding.
10. Has the entity requesting this project received any federal assistance related to the COVID-19 pandemic?

No

If yes, indicate the amount of funds received and what the funds were used for.

11. Details on how the requested state funds will be expended

</table>

**Total State Funds Requested (must equal total from question #6)** 650,000

12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

The FWB Recreation Center was opened in 2015 to the public. The $8.5 million facility was designed to withstand hurricane force winds, but does not meet the standards to be used as an Emergency Operations Center. In light of the devastation to Bay County and surrounding areas from Hurricane Michael and the overactive 2020 hurricane season, the City of Fort Walton Beach would like to utilize the FWB Recreation Center as an employee shelter and Emergency Operations Center in case of any disaster.

b. What activities and services will be provided to meet the intended purpose of these funds?

The city will be able to provide disaster relief immediately following a hurricane or other natural or man-made disaster by housing all essential personnel on site. All Incident Command System (ICS) operations would be conducted from this facility and it would serve as the Command Post for all pre- and post-disaster activities.

c. What direct services will be provided to citizens by the appropriation project?

The citizens would benefit from the immediate response times provided by the city’s essential personnel before, during, and after a disaster, especially first responders and utility workers.

d. Who is the target population served by this project? How many individuals are expected to be served?

Funding will allow the city to better serve all 21,000 citizens before, during, and after disaster situations.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Protection of the general public from harm: The upgraded facility will serve as the city’s Emergency Operations Center in disaster situations in order to protect and/or rescue citizens during and after a natural disaster. It also provides a safe facility to house emergency personnel that will serve city residents in disaster situations.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Standard contract penalties would be sufficient.

13. The owners of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owners of the facility and the entity.

City of Fort Walton Beach
14. Requestor Contact Information
   a. First Name  
      [Michael]   Last Name
