1. Project Title: Delray Beach Owens Baker Tank Improvements

2. Senate Sponsor: Lori Berman

3. Date of Request: 02/11/2021

4. Project/Program Description

The Owens Baker finished water storage tank is part of the Delray Beach Utilities treatment and distribution infrastructure. This tank needs some improvements to avoid water quality degradation and ensure immediate access to this water during daily high water demand periods. The project will include addition of a mixer to avoid water stratification in the tank, as well as some piping and control improvements that will result in energy savings, provide a way for proper dosing of chemicals and accurate measurement of flow in and out of the tank.

5. State Agency to receive requested funds

State Agency contacted? No

Department of Environmental Protection

6. Amount of the Nonrecurring Request for Fiscal Year 2021-2022

12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?
   Improved water quality and hydraulic. Meeting the water demand of local residents during peak flow demand.

b. What activities and services will be provided to meet the intended purpose of these funds?
   Should the City be able to improve the water tank’s hydraulics, the service that will be provided is better meeting the water needs of local residents during peak flow demand.

c. What direct services will be provided to citizens by the appropriation project?
   Higher quality of water and service.

d. Who is the target population served by this project? How many individuals are expected to be served?
   20,000

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?
   Improved chlorine residuals and overall water quality

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?
   Total coliform positive
   low chlorine residual
   low pressure
13. The owners of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owners of the facility and the entity.
