Fixed Capital Construction/Major	r Renovation:				
Construction/Renovation/Land/ Planning Engineering	Installation of new storm water drainage and 12" ductile iron water main along NW 38 Avenue.	1,028,000			
Total State Funds Requested (m	Total State Funds Requested (must equal total from question #6) 1,028,000				

12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

The goal is to improve storm drainage in the area, provide good fire protection and improve interconnect with Broward County by replacing existing water main.

b. What activities and services will be provided to meet the intended purpose of these funds?

Improvement of storm drainage by installing new HDPE piping, ex-filtration trenches, and new catch basins. To abandon in place the existing 8" water main and replace with a new 12" ductile iron water main (including valves, service lines, fire hydrants, and abandonment of existing pipe), service connections, meters, and improve interconnection with Broward County.

c. What direct services will be provided to citizens by the appropriation project?

Improved storm drainage in the area. Increased fire flow for fire protection and improved interconnect with Broward County with the replacement of the existing water main.

d. Who is the target population served by this project? How many individuals are expected to be served?

The targeted population consists of Census Tract 412 (West Ken Lark) for a total population of 4,697.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The benefit will be improved storm drainage and increased fire flow for fire protection and improved interconnection with Broward County.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

LFIR # 1686

Failure to meet the deliverables or performance measures will result in written notification to correct within 30 days, if still not corrected, the Agency shall submit termination of Agreement in writing to include effective date of termination. If terminated prior to project completion, the Agency will only pay for the percentage of Project satisfactorily performed for which costs can be substantiated.

which costs can be substantiated.	,	9	,	,,,	'	3	,	7 1

Please complete the questions below for Water Projects only.

17. I	Have you applied for alternative state funding?
	□ Waste Water Revolving Loan
	☐ Drinking Water Revolving Loan
	□ Small Community Wastewater Treatment Grant
	☐ Other (please specify)
	☑ N/A
18. \	What is the population economic status?
	☑ Financially Disadvantaged Community (ch. 62-552, F.A.C)
	☑ Financially Disadvantaged Municipality (ch. 62-552, F.A.C)
	□ Rural Area of Economic Concern
	☐ Rural Area of Opportunity (s. 288.0656, Florida Statutes)
	□ N/A
۱9. ۱	What is the status of construction?
	Plans are 25% complete. Construction has not started
20. \	What percentage of the construction has been completed?
	0%
21. \	What is the estimated completion date of construction?
	11/16/2021
