12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

The purpose of this request is to accelerate the implementation of projects that support walking, cycling, and golf cart travel within the town and to adjacent areas, while improving multimodal safety. This phase in particular will allow residents to safely use the pathways to get to civic, recreational, commercial, and educational facilities. Windermere Elementary Students use this particular area for direct access to the school.

b. What activities and services will be provided to meet the intended purpose of these funds?

The purpose of this request is to accelerate the implementation of projects that support walking, cycling, and golf cart travel within the town and to adjacent areas while improving multimodal safety.

c. What direct services will be provided to citizens by the appropriation project?

Direct access for elementary kids to safely bike or walk to Windermere Elementary. Connects civic, commercial, educational, and recreational trail systems.

d. Who is the target population served by this project? How many individuals are expected to be served?

Elementary school children, elderly, physically disabled persons, and the general population.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Elementary kids use this area to get to Windermere Elementary School without going onto a traffic-congested roadway. The purpose of this request is to accelerate the implementation of projects that support walking, cycling, and golf cart travel within the town and to adjacent areas, while improving multimodal safety.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Liquidated damages or nonreimbursement for nonconformance or compliance.
