3. Date of Request

4. Project/Program Description

The Community Works Program provides community based employment training and integration for individuals with developmental/intellectual disabilities. JARC partners with local businesses to provide on-the-job training for participants. They work side by side with the employees of the business. This not only provides the individual with opportunities for community integration and employment, but also educates the community on the abilities of individuals with special needs. This program began in Palm Beach County and has now expanded into Broward County.

12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

Funds will secure community based employment training for individuals with intellectual disabilities and autism. With an ultimate goal of employment, individuals with special needs will reduce their dependence on government subsidies.

b. What activities and services will be provided to meet the intended purpose of these funds?

JARC will work with local businesses to secure partnerships for the community based employment training. Individuals with intellectual disabilities and autism will receive job coaching services.

c. What direct services will be provided to citizens by the appropriation project?

Participants in the program will be provided the opportunity to receive community based employment training at local businesses. This will be completed with supervision from trained job coaches to maximize the potential for independent employment.

d. Who is the target population served by this project? How many individuals are expected to be served?

This program provides services to individuals with intellectual disabilities and autism and support to the families of the individuals receiving services. The program has grown every year and currently provides services to 100 individuals and their families.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

75-100 individuals with intellectual disabilities and autism will participate in community based employment training. They will also receive training in how to develop a resume and how to interact in a job interview. A minimum of 6 individuals will become employed at the community based training site. Success is measured in the number of individuals enrolled in the program, the number of local business partners, and the number of individuals who become employed.
