#### 12. Program Performance

##### a. What specific purpose or goal will be achieved by the funds requested?

The specific purpose of this project is to replace a dilapidated roof and various other delayed maintenance issues generated through a lack of cash flow for this housing project.

##### b. What activities and services will be provided to meet the intended purpose of these funds?

The replacement and repair of the roof and other delayed maintenance issues at Victory Village so that we can continue to provide much needed stable housing to low and very-low-income families can be provided.

##### c. What direct services will be provided to citizens by the appropriation project?

Affordable housing for low- and very-low-income families in a safe and clean housing development.

##### d. Who is the target population served by this project? How many individuals are expected to be served?

Individuals and families that are financially disadvantaged; this affordable housing project provides low and very-low-income families and individuals safe, clean, and permanent housing.

##### e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

That this affordable housing project remains in existence for those families and individuals that need it by having the roof replaced and other various areas updated.

##### f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Failing to meet deliverables would mean repayment of the grant funds.

#### 13. The owners of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owners of the facility and the entity.
