Local Funding Initiative Request

Fiscal Year 2022-2023

LFIR # 1030

1. Project Title

2. Senate Sponsor

3. Date of Request

4. Project/Program Description

The Northeast Miami-Dade Region lacks a hardened facility to house Emergency Landfall Teams during natural or man-made disasters. The proposal is to build such a facility as part of a proposed new Civic Center (Town Hall and Police Complex).

The project, when constructed, will be the first of its kind in the state. Currently, the barrier island cities along the east coast do not have a hardened facility for an emergency response team.

5. State Agency to receive requested funds

State Agency contacted?

6. Amount of the Nonrecurring Request for Fiscal Year 2022-2023

Type of Funding	Amount
Operations	0
Fixed Capital Outlay	750,000
Total State Funds Requested	750,000

7. Total Project Cost for Fiscal Year 2022-2023 (including matching funds available for this project)

Type of Funding	Amount	Percentage
Total State Funds Requested (from question #6)	750,000	38%
Matching Funds		
Federal	0	0%
State (excluding the amount of this request)	0	0%
Local	1,250,000	62%
Other	0	0%
Total Project Costs for Fiscal Year 2022-2023	2,000,000	100%

8. Has this project previously received state funding?

Fiscal Year (yyyy-yy)	Amount		Specific Appropriation #	Vetoed
	Recurring	Nonrecurring		

9. Is future funding likely to be requested?

a. If yes, indicate nonrecurring amount per year.

b. Describe the source of funding that can be used in lieu of state funding.

10. Has the entity requesting this project received any federal assistance related to the COVID-19 pandemic?

Local Funding Initiative Request

Fiscal Year 2022-2023

LFIR # 1030

If yes, indicate the amount of funds received and what the funds were used for.

The town received an allocation of \$467,297 from the America Rescue Plan Act. The allocation is pledged to town's Capital Projects Program, specifically the Civic Center Complex.

11. Details on how the requested state funds will be expended

Spending Category	Description	Amount
Administrative Costs:		
Executive Director/Project Head Salary and Benefits		0
Other Salary and Benefits		0
Expense/Equipment/Travel/Supplies/Other		0
Consultants/Contracted Services/Study		0
Operational Costs: Other		
Salary and Benefits		0
Expense/Equipment/Travel/Supplies/Other		0
Consultants/Contracted Services/Study		0
Fixed Capital Construction/Major Renovation:		
Construction/Renovation/Land/Planning Engineering	The Northeast Miami-Dade Region lacks a hardened facility to house Emergency Landfall Teams during natural or man-made disasters and proposes to build such a facility as part of a proposed new Civic Center (Town Hall and Police Complex).	750,000
Total State Funds Requested (must equal total from question #6)		750,000

12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

The funds will assist with the creation of a Landfall Team Bunker for the Northeast Miami-Dade Region for emergency response teams to use as a command post during natural or man-made disasters. By having the bunker in this location, emergency teams will be available to assist persons in need immediately following these situations.

b. What activities and services will be provided to meet the intended purpose of these funds?

These funds will specifically be used to harden and make a safe space within the proposed Civic Center, guaranteeing immediate access to first responders following a disaster.

c. What direct services will be provided to citizens by the appropriation project?

Access to first responders before, during, and after a natural or man-made disaster.

d. Who is the target population served by this project? How many individuals are expected to be served?

All municipalities on the barrier islands of Northeast Miami-Dade and Southeast Broward counties, which include: Hollywood, Hallandale, Sunny Isles, Surfside, and Bal Harbour.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The expected outcome is that emergency response teams will be closer to the area should an emergency situation arise where their services are needed immediately. They will be able to get to individuals in need more swiftly and safely. In addition, these teams will be housed in a safer structure so as to also protect their own well-being during an emergency event.
