3. Date of Request

4. Project/Program Description

Metropolitan Ministries is seeking funds to expand an existing campus to support families in Pasco County who are homeless and at risk of becoming homeless. Metropolitan Ministries seeks to add 24 units of transformational housing for homeless families, a childcare center and family support center. The services offered in these buildings will prevent homelessness when possible, stabilize families and empower them to address barriers to self-sufficiency, including low education attainment levels, limited work experience, lack of access to childcare and transportation, poor credit, and past evictions. The facilities' services will reach 15,530 individuals annually. The need for more services directed to assist homeless families gain self-sufficiency or prevent homelessness has increased due to the economic impact of COVID-19. Additionally, before COVID-19, 45% of Pasco residents live paycheck to paycheck and do not have enough funds to meet basic monthly expenses.
