12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

As the community prepares for the trial of the Parkland shooter, Eagles' Haven will increase our availability and support, offering even more groups, panels, classes, and programs to the community. We anticipate crises to increase surrounding the trial, and we are prepared to enhance our services and emergency support in effort to keep the community as safe as possible. Funding from the March for our Lives Foundation will help support wellness activities and therapeutic groups to enhance our current programming and allow us to expand and create new programs, especially with regards to the trial.

b. What activities and services will be provided to meet the intended purpose of these funds?

Eagles' Haven is a community wellness offering wellness services, case management, trauma education and crisis intervention in one nurturing setting. Community members can call or drop into the center 7 days a week, free of charge. The Eagles' Haven Navigators provide clinical assessment and crisis support to all clients while also linking families to any needed social or therapeutic service in the community.

This program targets anyone impacted by the shooting at Marjory Stoneman Douglas High School in Parkland, Florida in 2018. While initially aimed at students, parents and teachers in the Parkland/Coral Springs community, the center has expanded to serve anyone suffering from trauma related to the shooting or otherwise.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The goal of this program is to improve wellness and restore hope to the Parkland community through the provision of wellness activities and support services. An additional outcome is to provide increased support during the trial of the Parkland shooter. Objectives are as follows and are measured by care plan reviews and satisfaction surveys:

1. 90% of clients will be linked to the appropriate services as determined during assessment and listed on their care plan
2. 85% of clients will meet the wellness goals listed on their care plan

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Standard penalties

13. The owners of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owners of the facility and the entity.
