

LFIR # 1188

1. Project Title Learning Independence for Tomorrow, Inc. (LiFT) Campus

2. Senate Sponsor Ed Hooper

**3. Date of Request** 11/03/2021

### 4. Project/Program Description

The funds requested will be used to re-purpose a community building in order to create a single integrated campus to house LiFT Academy, LiFT University Transition Program, and the LiFT Day Program to better serve the needs of its growing student population that has increased more than 600% over 8 years and is projected to continue to grow by 25% annually for the next 5 years. The new campus will make it possible to introduce additional programs (after-school clubs, art, music, athletics) for LiFT students; allow for the expansion of its existing programs (such as the LiFT micro-businesses and established Day Program); and provide the opportunity for growth of our Family Resource Center.

#### 12. Program Performance

#### a. What specific purpose or goal will be achieved by the funds requested?

LiFT (DBA LiFT Academy & LiFT University Transition Program) has grown by a combined 600% since its founding in 2013. Serving more than 150 students with neurodiversity (including autism, ADHD & learning disabilities), LiFT's new campus will meet the growing enrollment to support the educational, social, interpersonal and independent living & life skills preparation for students Kindergarten through age 22.

#### b. What activities and services will be provided to meet the intended purpose of these funds?

LiFT projects 25% growth in the student population each year for the next 5 years. As LiFT has grown 600% over the past 8 years, we have outgrown our available space. Moreover, LiFT is enhancing its programmatic service array to include pre-K services, more robust adult day programming, a Family Resource Center, and enhancements to current elementary, middle, high, and post-secondary educational opportunities for students with neurodiversity.

#### c. What direct services will be provided to citizens by the appropriation project?

Same as above.

#### d. Who is the target population served by this project? How many individuals are expected to be served?

Children ages 0-18 (LiFT Academy), young adults ages 18-22 (LiFT University Transition Program), and adults ages 23 and older in LiFT Day Program. LiFT anticipates the ability to serve more than 275 in LiFT Academy, 50 in LiFT University Transition Program, and 25 in the Day Program.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Enhanced educational, social, interpersonal, & peer development, employability skills, and more robust access to community resources and services for an under-served population. LiFT utilizes many methods to track these outcomes including MAP Testing and Assessments, Graduation Rates, Individualized Support Plans, Attendance Reports, Community Internships, Employment Rates, and other data collection tools.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Unused funds would be returned to the state.

13. The owners of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owners of the facility and the entity.

LiFT, Inc., will own the facility and receive fixed capital outlay funding.
