#### 12. Program Performance

##### a. What specific purpose or goal will be achieved by the funds requested?

1) Continue to support federal, state and local efforts in increasing family stability and decrease government systems by assisting families and individuals in distress; 2) Train Community Response Teams (CERT) and establish a communication network to increase the emergency response capacity of the Miami-Dade Emergency Department in times of disaster; 3) Continue to expand the service area and locations throughout the Northwest, Southern and Suncoast DCF Regional Districts; 4) Expand service area and locations to Central, Northeast and Southeast DCF Regional Districts; 5) Continue to provide ACCESS and vocational rehabilitation services throughout the state; 6) Add additional resources to include mental and health services.

##### b. What activities and services will be provided to meet the intended purpose of these funds?

The activities and services will include: providing food, clothing and supplies at our service locations; providing food, clothing and supplies and emotional/spiritual support to referrals received from our increasing number of partners with memorandums of understanding; developing a communication network for volunteers; CERT training for emergency situations; volunteer trainings; supporting special events such as food distributions and community events; assisting the Emergency Management Department during disasters; and providing additional resources such as ACCESS, health services and job placement.

##### c. What direct services will be provided to citizens by the appropriation project?

Families, children, elderly, veterans and others in need will be provided with supplies, clothing and services, including emotional/spiritual support in times of distress and/or disaster. Specially trained volunteers will be available to assist government entities in times of disaster. Mental health screenings and job training placement will be available to all individuals as needed.

##### d. Who is the target population served by this project? How many individuals are expected to be served?

The target population is families and individuals that are experiencing hardships in times of distress including but not limited to elderly, adults, disabled, veterans, abused, abandoned and neglected children and victims of crimes. The expected number of people to be served will be 300,000 - 500,000.

### Fiscal Year 2022-2023

LFIR # 1194

**e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?**

Expected benefits include: Improved physical and nutritional health by providing nutritional food, improved mental health by providing emotional/spiritual support and providing necessities during times of crisis, protection of the general public from harm and improved emergency response time by trained volunteers, and enhanced individual economic self-sufficiency and diversion from criminal behavior by providing job training, placement and vocational rehabilitation services. Outcomes would be measured by quantity and dollar value of food distributed and number of people served and trained.

**f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?**

Corrective Action Plan

**13. The owners of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owners of the facility and the entity.**

N/A
