LFIR # 1281

The Florida Housing Finance Corporation initially provided the City of Clearwater with \$634,546 in CARES Act funding for mortgage, rent, and housing assistance. The city expended the entire amount and requested an additional \$400,000 to fund remaining, unfunded requests for assistance prior to the expenditure deadline. The city was able to expend \$279,814 of the additional funds within the restricted timeframe and returned \$120,186 to the state.

11. Details on how the requested state funds will be expended

Spending Category	Description	Amount
Administrative Costs:		
Executive Director/Project Head Salary and Benefits		0
Other Salary and Benefits		0
Expense/Equipment/Travel/Supplies/ Other		0
Consultants/Contracted Services/Study		0
Operational Costs: Other		
Salary and Benefits		0
Expense/Equipment/Travel/Supplies/ Other		0
Consultants/Contracted Services/Study		0
Fixed Capital Construction/Majo	r Renovation:	
Construction/Renovation/Land/ Planning Engineering	Funds will be used to construct a comprehensive stormwater management system that includes mechanisms for the collection, conveyance, retention, and mitigation of stormwater on the site.	1,300,000
Total State Funds Requested (must equal total from question #6) 1,300,00		

12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

Funds will be used to construct a comprehensive Stormwater managment system that includes mechanisms for the collection, conveyance, retention, and mitigation of Stormwater on the site.

b. What activities and services will be provided to meet the intended purpose of these funds?

Services to install Stormwater management system infrastructure

c. What direct services will be provided to citizens by the appropriation project?

The appropriation project will not provide a direct service to citizens. Once the redevelopment of the entire waterfront park is completed, the Imagine Clearwater project will provide residents and visitors with additional greenspace, a bluff walk, new restrooms and a dockmaster building, and an improved connection to the Downtown.

d. Who is the target population served by this project? How many individuals are expected to be served?

The project will benefit no specific group. The enhanced waterfront park will be accessible to residents and visitors. More than 800 individuals are expected to be served.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The new Stormwater management system will treat surface runoff and discharge cleaner water to an impaired water body (Clearwater Harbor). The City of Clearwater records pollutant reduction annually via the Pinellas County MS4 permit.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties

LFIR # 1281

for failing to meet deliverables or performance measures provided for the contract?

The City should return the awarded funds.

13. The owners of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owners of the facility and the entity.

The site is owned by the City of Clearwater.
