12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

The goal is to provide quality Youth Programming that will deter truancy, bullying and other negative behavior among school-age children. Funding is being requested to support after school and summer programming.

b. What activities and services will be provided to meet the intended purpose of these funds?

Funding is being requested to support after school and summer programming.

c. What direct services will be provided to citizens by the appropriation project?

Program participants will have access to this safe and caring environment. The program will provide daily activities through shuttle bus transportation, credentialed and courteous staff services, social interaction, recreational activities, exercise and nutrition.

d. Who is the target population served by this project? How many individuals are expected to be served?

Youth within the community that maybe at-risk for suicide, truancy, juvenile crime, teenage pregnancy, alcohol and drug abuse, and other negative behavior patterns.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

LFIR # 1421

We expect the outcome to be a safe environment for students to participate in holistic activities within our program, Direct services will be provided. This outcome will be measured by attendance records, report cards, participant surveys.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

The contract will have standard language that entails compliance, deliverables and reports.

13. The owners of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owners of the facility and the entity.

The City of West Park, a local government, will be the owner and operator of the Youth Crime Prevention Program.
