12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

The goal of the project is to reduce localized flooding that impacts the center's operations and community programming.

b. What activities and services will be provided to meet the intended purpose of these funds?

The intended purpose of the funds is to perform drainage improvements. The City intends to procure a contractor to design and construct the improvements.

c. What direct services will be provided to citizens by the appropriation project?

The project will benefit Deerfield Beach residents and visitors, as the Aquatics Center is a public facility that offers a variety of recreational swimming activities such as swim lessons, swim meets, and water aerobics seven days a week. The nearby Athletic Complex also utilizes the parking lot.

d. Who is the target population served by this project? How many individuals are expected to be served?

The target population is City residents and visitors (i.e. general public). According to the U.S. Census, the City's population is an estimated 81,000. Over 20,000 residents and visitors utilize the pool annually. The nearby Athletic Complex also utilizes the parking lot. Average daily attendance exceeds 300 persons daily.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The expected outcomes of the project are improved flood resilience and stormwater management at the project site. This outcome will be measured by reduced flooding and stormwater runoff at the project site during rain events.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Repayment of funds to State.

- 13. The owners of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owners of the facility and the entity.**

The City of Deerfield Beach Aquatics Center was constructed in 2002 on property owned by the Broward County School Board. In 2001, the City entered into a lease agreement with the Broward County School Board to design and construct the Aquatics Center. The term of the lease agreement is 40 years and it stipulates that the City is responsible for improvements and maintenance of the Aquatics Center and grounds. Consequently, the City would like to perform the drainage improvements.
