2. Senate Sponsor

3. Date of Request

4. Project/Program Description

STVE provides educational and financial support, anti-violence, mentoring/conflict resolution, community outreach, and community service programs. We empower, transform and improve the quality of life for all residents of low-income and high crime areas. We create safer environments by offering programs and projects that redirect the lives of at-risk youth and young adults ages 10-17. We help them transition into society to become a productive citizen and complete their personal and educational goals. Our program will be in the form of a rotating on-going intensive 9-week session. The program is designed to offer tutoring sessions that will work in conjunction with Orange County Public Schools curriculum according to the number of weeks within the semester. The design of our program aid students in being better prepared for the State standard exams, homework assistance and opportunities for grade gains and job preparedness.

12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

STVE specific purpose and goals are to empower, transform and improve the quality of life for our youth and young adults ages 10-17. We strive to save lives and reduce crime by offering various educational programs, workshops and STEM (Science, Technology, Engineering & Math) activities. We provide anti-violence, mentoring/conflict resolution, community outreach and field trips to redirect the lives of our at-risk youth and young adults.

b. What activities and services will be provided to meet the intended purpose of these funds?

The activities and services provided to meet the purposes will be educational and job preparedness programs and workshops that will aid in transforming and improving the quality of lives for our youth and young adults throughout the community. Our programs are designed to reduce and/or eliminate crimes, create community partnership and bridge the gap between citizens and police officers. Our workshops on anti-violence/bullying, mentoring/conflict resolution workshops help with modifying aggression behaviors, study skills and team building exercises.

c. What direct services will be provided to citizens by the appropriation project?
