Local Funding Initiative Request

Fiscal Year 2022-2023

LFIR # 1548

1. Project Title

2. Senate Sponsor

3. Date of Request

4. Project/Program Description

Through the Institute for Classical Education at Flagler College, we will develop a model to be shared with other schools for focusing on first-year students, through the Classical, Liberal Arts Education lens, as a way to increase retention, and promote a balanced world-view in the higher education arena. Once established on campus, the Institute will plan and host research workshops and conferences to allow, students, scholars, and guests to participate in classical model programming.

5. State Agency to receive requested funds

State Agency contacted?

6. Amount of the Nonrecurring Request for Fiscal Year 2022-2023

Type of Funding	Amount
Operations	5,000,000
Fixed Capital Outlay	0
Total State Funds Requested	5,000,000

7. Total Project Cost for Fiscal Year 2022-2023 (including matching funds available for this project)

Type of Funding	Amount	Percentage
Total State Funds Requested (from question #6)	5,000,000	50%
Matching Funds		
Federal	0	0%
State (excluding the amount of this request)	0	0%
Local	0	0%
Other	5,000,000	50%
Total Project Costs for Fiscal Year 2022-2023	10,000,000	100%

8. Has this project previously received state funding?

Fiscal Year (yyyy-yy)	Amount		Specific Appropriation #	Vetoed
	Recurring	Nonrecurring		

9. Is future funding likely to be requested?

a. If yes, indicate nonrecurring amount per year.

b. Describe the source of funding that can be used in lieu of state funding.

10. Has the entity requesting this project received any federal assistance related to the COVID-19 pandemic?

12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

Through the Institute for Classical Education at Flagler College, we will develop a model to be shared with other schools for focusing on first-year students, through the Classical, Liberal Arts Education lens, as a way to increase retention, and promote a balanced world-view in the higher education arena. Once established on campus, the Institute will plan and host research workshops and conferences to allow, students, scholars, and guests to participate in classical model programming.

b. What activities and services will be provided to meet the intended purpose of these funds?

Strategic hiring of key faculty trained in the classical model of education to work directly with our Freshmen students in their first-year seminar courses. These faculty will be trained in how to teach classical texts to first-year students, will promote free inquiry in the classroom, and instill in our students the skills needed to think critically.

c. What direct services will be provided to citizens by the appropriation project?

Fiscal Year 2022-2023

LFIR # 1548

Full-time faculty teaching First Year Seminar course students. The development of a retention model based on the classical model of education. Eventually the Institute will plan and host workshops, conferences, and guest scholars. Additionally the Institute will provide academic fellowship & mentoring opportunities to students engaged in scholarly studies and provide training to K-12 teachers.

d. Who is the target population served by this project? How many individuals are expected to be served?

College Students and Faculty... Greater than 800 in year one.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Enrich Cultural Experience - Through the FYS course, students learn about the value and responsibilities of citizenship in a diverse democracy. Consistent with the classical model of education, students will read about political philosophy and the history of science, or explore the cultural meanings of business and entertainment. Flagler students are living in the Oldest City in the United States. - Measurement - Course evaluations will help us evaluate the impact on our students' cultural experience. Additionally, we will evaluate the level of our student's community engagement.
Improve Quality of Education - First year students will benefit from having Full-time faculty trained in the Classical model of education teaching their first year seminar courses. Measurement - Evaluating Flagler College Retention rates.
Improve Economic Activity - We will hiring additional faculty, thus creating jobs. We will also be producing additional graduates with the critical thinking skills.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Standard contract terms will apply.

13. The owners of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owners of the facility and the entity.

No capital dollars are being requested for facility improvements. The College owns the majority of our buildings, including our main academic buildings.
