#### 12. Program Performance

##### a. What specific purpose or goal will be achieved by the funds requested?

This project will be replacing some damaged pipe in our Central Business District which has caused some sinkholes in our right-of-way and we keep losing roadway. We also have some damage in a couple of business driveways. This project is vital for this area. Palmetto Ave. is a heavily traveled alternative route to U.S 17 that traverses the entire Central Business District.

##### b. What activities and services will be provided to meet the intended purpose of these funds?

This project will address stormwater infrastructure deficiencies.

##### c. What direct services will be provided to citizens by the appropriation project?

Improved storm water infrastructure.

##### d. Who is the target population served by this project? How many individuals are expected to be served?

General. The funds will benefit no specific group other than property owners impacted.

##### e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

This project will improve stormwater management, improve transportation conditions, increase or improve economic activity in the area and protect the general public from harm.

Track:

- # of accidents in the Central Business District
- # of citizen calls for service related to flooding and roadway repair
- Physical condition of the roadway
- Sediment levels at discharge points into Governors Creek & the St. Johns River
- New economic activity in the Central Business District.
