Total State Funds Requested (must equal total from question #6) 306,000				

12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

Intensive case management services for victims of human trafficking and those at risk, to include advocacy, crisis intervention accompaniment and referrals to meet the needs of victims. In addition, funds will be utilized to provide advocacy services to victims of sexual violence and child abuse and neglect, to include advocacy, crisis intervention, and accompaniment.

b. What activities and services will be provided to meet the intended purpose of these funds?

Human Trafficking and Needs Assessments, Advocacy, Crisis Intervention, Accompaniment, Education/Outreach, Information and Referral, and Multi-disciplinary Meetings

c. What direct services will be provided to citizens by the appropriation project?

Citizens of Broward County who are victims of sexual violence, human trafficking or child abuse, through the NJCC, will receive crisis intervention services to address and assess immediate emotional and physical needs and safety. Information and referrals to needed and/or specialized services and resources. Advocacy by acting on behalf of victims or providing significant assistance to help them access services.

d. Who is the target population served by this project? How many individuals are expected to be served?

The Advocacy Program will provide direct services for up to 360 victims of sexual assault and child abuse and direct intensive services to 15 Human Trafficking victims as well provide seven community outreach presentations. The program seeks to empower at-risk individuals, victims (survivors), and county residents to be aware, get involved, and report these horrifying incidents so the offender may be fully prosecuted. Finally, they provide a comprehensive array of direct and intensive intervention services to victims in order for them to maneuver through the criminal justice system and everyday life.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will

LFIR # 1643

be measured?

This funding will provide needed services to victims of child abuse, sexual violence, and human trafficking to ensure they are supported through the healing and prosecution process and enhance public safety.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

No recommendation for funding the following fiscal year.
