The Florida Senate Local Funding Initiative Request Fiscal Year 2022-2023

CR 439 Blackwater Flood Study and Design - Lake

Dennis Baxley

LFIR # 1708

| State Agency contacted? No Amount of the Nonrecurring Request for Fiscal Year 2022-2023 Type of Funding |
|--|
| wetlands to the Lake Norris basin. Flows are conveyed via a total of eight box culverts ranging in size from 4x10 to 5x7. (439 is a collector road for the area. During tropical weather type rain events water has been seen overtopping CR 439 at the Blackwater Creek crossings. The project would involve review of the 1981 USDA Blackwater Flood Study for any necessary updates to confirm the 100 yethood elevation. Culvert design to adequately convey the flows and prevent road overtopping can then be done and is included within the study effort. 5. State Agency to receive requested funds State Agency contacted? a. What specific purpose or goal will be achieved by the funds requested?

Adequate culvert design to prevent the road from overtopping.

b. What activities and services will be provided to meet the intended purpose of these funds?

A detailed engineering evaluation and culvert design to eliminate the flooding concerns.

c. What direct services will be provided to citizens by the appropriation project?

A safe collector roadway.

d. Who is the target population served by this project? How many individuals are expected to be served?

Area residents; approximately 9,000 people.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Adequate culvert design to prevent road overtopping. Monitoring the road in rainy tropical conditions.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

The county will return any funding received for the project to the contracting agency.

13. The owners of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owners of the facility and the entity.
