12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

This facility will provide state-of-the-art training in firearms for the major provider of law enforcement officers in the service area. The Firearms Training Center will allow cadets to receive instruction and practice in safe and effective firearm use at multiple times to accommodate simultaneous academy cohorts. According to the DEO labor projections for Fastest Growing Occupations for the period 2020-2028, Police and Sheriff's Patrol Officers will grow 3.8%, First-Line Supervisors of Police and Detectives will grow 3.7%, and Detectives and Criminal Investigators will grow 3.0%.

b. What activities and services will be provided to meet the intended purpose of these funds?

Daytona State College provides expert instruction in all aspects of law enforcement and will teach firearm safety and use at this facility.

c. What direct services will be provided to citizens by the appropriation project?

Instruction in firearms will be provided to 240 law enforcement academy students per year and approximately 90 current law enforcement officers. All citizens will be served by improved law enforcement training; this training directly contributes to public safety.

d. Who is the target population served by this project? How many individuals are expected to be served?

The center will serve as an educational site for 240 law enforcement cadets per year and approximately 90 current sworn officers receiving continuing education. As a result of an effective law enforcement program, the entire community is served.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?
