4. Project/Program Description

AMIkids Prevention Programs are community-based after school/summer school prevention programs for male and female youth ages eleven (11) to seventeen (17). AMIkids Prevention programs provide students comprehensive programming & support services to engage youth in positive opportunities that prepare them for success & prevent entry or further involvement in the juvenile justice system. Services include provision of the Prevention Assessment Tool (PAT), individualized care planning, referrals for mental health and/or substance abuse services, mentoring, vocational training & employability skills development, & community service learning. Services are provided in a comprehensive manner to impact academic achievement & reduce risk behaviors leading to court involvement. AMIkids Gadsden has been operating since 2017. Services were expanded to AMIkids Tallahassee in 2020. Vocational training and employability skills are funded through Federal Dept of Labor Workforce Pathways grant.

10. Has the entity requesting this project received any federal assistance related to the COVID-19 pandemic?

Yes

If yes, indicate the amount of funds received and what the funds were used for.

Four AMIkids programs that currently receive state funding received a total of \$1.6M in PPP. The funds were used to retain staff while incurring a reduction in school board and treatment funding. In addition, in order to best protect youth from COVID-19 & prevent outbreaks at our facilities, COVID funding was used to fund PPE, facility cleanings, and additional expenses, including staff overtime, incurred when youth quarantine or alternative services were necessary.

12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

Divert youth who demonstrate criminal risk factors from initial contact with DJJ or from further Department of Juvenile Justice involvement.

b. What activities and services will be provided to meet the intended purpose of these funds?

AMIkids Prevention Programs provide structured, productive activities for youth engagement. Services are provided after school and during the summer when the Office of Juvenile Justice and Delinquency Prevention (OJJDP) reports that violent juvenile crime is most likely to occur. Services with lasting impacts include referrals for treatment, mentoring, academic enrichment, vocational training and career readiness. These services provide alternative paths for ongoing youth engagement after program completion reducing future involvement with the Department of Juvenile Justice.

c. What direct services will be provided to citizens by the appropriation project?

Services include provision of the Prevention Assessment Tool (PAT), individualized care planning, referrals for mental health and/or substance abuse services, mentoring, vocational training & employability skills development, & community service learning.

d. Who is the target population served by this project? How many individuals are expected to be served?
