Local Funding Initiative Request

Fiscal Year 2022-2023

LFIR # 1907

1. Project Title

2. Senate Sponsor

3. Date of Request

4. Project/Program Description

The City of Tampa proposes to enhance Gray Street for use by the residents of the neighborhood, pedestrians, and bicyclists through improved facilities and speed management features. A recent traffic analysis conducted by the City of Tampa in December 2017 concluded that there is a cut-through traffic concern along Gray Street. Traffic calming was identified as an effective way to address this. New sidewalks and enhanced pedestrian crossing opportunities were also identified.

12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

This project will improve safety for families who walk and bike along the Gray Street Corridor. Gray Street is a key corridor of the city's West Tampa Multimodal Plan which aims to create a "livable city" by providing a robust network of pedestrian and bicycle accommodations in West Tampa.

b. What activities and services will be provided to meet the intended purpose of these funds?

Pedestrian and bicycle safety improvements as well as traffic calming.

c. What direct services will be provided to citizens by the appropriation project?

Safer mobility.

d. Who is the target population served by this project? How many individuals are expected to be served?

General population in a city of nearly 400,000 residents.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The connection of sidewalk gaps and bicycle enhancements associated with the project will provide for safer transportation. Active transportation will better serve public health. The project also helps the city achieve its Vision Zero Goal. Monitoring traffic crashes will inform the effectiveness of the improvements along with continued engagement with the community for annual evaluations of safety along the corridor.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?
