Fiscal Year 2022-2023

LFIR # 2023

\$51.2 million in Coronavirus Relief Funds from FDEM as provided in the CARES Act; \$57 million in Coronavirus State and Local Fiscal Recovery Funds under the federal American Rescue Plan Act (ARPA). Funds were used to support economic recovery for households, businesses, nonprofits, and other public health/human services agencies.

11. Details on how the requested state funds will be expended

Spending Category	Description	Amount
Administrative Costs:		
Executive Director/Project Head Salary and Benefits		0
Other Salary and Benefits		0
Expense/Equipment/Travel/Supplies/Other		0
Consultants/Contracted Services/Study		0
Operational Costs: Other		
Salary and Benefits		0
Expense/Equipment/Travel/Supplies/Other		0
Consultants/Contracted Services/Study		0
Fixed Capital Construction/Major Renovation:		
Construction/Renovation/Land/Planning Engineering	This project is for the replacement of deteriorated culverts along Old Plank Road to insure a long lasting crossdrain system to this vital roadway. These efforts will include replacement of 10 corrugated metal pipes using concrete reinforced pipes or concrete box culverts.	500,000
Total State Funds Requested (must equal total from question #6)		500,000

12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

The project will replace deteriorated culverts along Old Plank Road to ensure a long lasting crossdrain system to this vital roadway.

b. What activities and services will be provided to meet the intended purpose of these funds?

Replacement of 10 corrugated metal pipes that are currently showing signs of advanced deterioration of the metal pipe and concrete end protection which have resulted in increased maintenance and safety issues.

c. What direct services will be provided to citizens by the appropriation project?

Functional, safe, and effective stormwater systems are beneficial to all citizens of Leon County and its visitors, and are essential to conserving valuable economic, natural, and other resources. The drainage improvements will provide a reduction in flood risk and protection of the environment by preventing runoff from flooding during storm events. This project will also provide reduction in maintenance and safety issues.

d. Who is the target population served by this project? How many individuals are expected to be served?

All residents of Leon County will benefit from this project.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

LFIR # 2023

The benefits of the project include preservation of a long-lasting crossdrain system to this vital roadway which will protect the health, safety and welfare of citizens by reducing flood risk and protecting our environment, while maintaining our community's livability. The drainage improvements will provide a reduction in flood risk and protection of the environment by preventing runoff from flooding during storm events and, in turn, decrease erosion and sediment from reaching surface waters.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Deobligation of funds.

13. The owners of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owners of the facility and the entity.

Leon County Government
