12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

The funds requested will provide the purchase and installation of a new playground shade structure. This will provide a safe outlet for play in a high use, economically depressed community for neighborhood children, program participants and youth organizations.

b. What activities and services will be provided to meet the intended purpose of these funds?

These funds will provide a new playground to be utilized at will by neighborhood children, program participants and sports teams.

c. What direct services will be provided to citizens by the appropriation project?

Provides a safe outlet for play in a high use community for neighborhood children, program participants and youth organizations.

d. Who is the target population served by this project? How many individuals are expected to be served?

The majority of the funds requested will serve target populations that visit the playground such as Economically disadvantaged persons, At-risk Youth, Pre-school students and Grade school students.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The purchase and installation of a new shade structure for the Catherine Strong Park playground provides a safe outlet to be utilized by the neighborhood children and youth programs/teams.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Failure to meet deliverables will result in the City's forfeiture of the funding.
