12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

The project consists of building a hardened fire station/essential employee shelter/EOC to replace an inadequate and unsafe existing fire station. The City of Orange City (City) is looking to harden the facility to Category 5 standards. This project will allow the city to safely house emergency service personnel pre-, during, and post- major natural disaster events. Additionally, the facility will serve the Orange City Fire Department and provide immediate emergency response.

The primary day-to-day functions will encompass Fire Suppression, Fire Administration, Fire Prevention, Public Education, Information Technology and Emergency Management. Funding will be used to plan, design and construct a hardened fire station with emergency response to meet the needs of Orange City.

b. What activities and services will be provided to meet the intended purpose of these funds?

Planning and design of a new fire station and emergency operations facility.

c. What direct services will be provided to citizens by the appropriation project?

Fire Station and Emergency Response Center

d. Who is the target population served by this project? How many individuals are expected to be served?

Volusia County and the City of Orange City, Population 11,100.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The fire department provides day-to-day operations and response for any fire related emergency calls. This department will directly provide response and safety to the citizens of Orange City.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties
for failing to meet deliverables or performance measures provided for the contract?

The appropriated funding will be returned if there is failure to meet established measures.

13.	The owners of the facility to receive	, directly or indirectly,	any fixed capital	outlay funding.	Include the
	relationship between the owners of	the facility and the ent	tity.		

City of Orange City.
