## Local Funding Initiative Request

### Fiscal Year 2022-2023

LFIR # 2213

1. Project Title

2. Senate Sponsor

3. Date of Request

4. Project/Program Description

Currently most streets and neighborhoods in the City of Midway are completely dark at night due to the city's lack of street lighting. The exception to this situation is a short interchange located at I-10 and US Highway 90 where commercial business buildings have outside lighting installed. Requested funding for this project would provide new street lighting to provide a safer environment for all residents and visitors that pass through the city's streets at night.

**12. Program Performance**

**a. What specific purpose or goal will be achieved by the funds requested?**

The goal to be achieved by the requested funds is for the new lights to provide a safer environment for all residents and visitors that pass through the city streets at night.

**b. What activities and services will be provided to meet the intended purpose of these funds?**

Activities such as church ministries, trick-or-treating, christmas caroling, and community fund raisers could benefit from the proposed lighting. The new lighting would allow for safer travel for all pedestrians, bicyclists, and motor vehicles and also increase measures of safety for community citizens.

**c. What direct services will be provided to citizens by the appropriation project?**

Citizens that walk, drive, or bike along the city streets will benefit from this project by having improved lighting and safety for after-dark activities.

**d. Who is the target population served by this project? How many individuals are expected to be served?**

The general public is the target population. Approximately 4,000 individuals are expected to be served.

**e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?**

The expected benefit of this project is to reduce the amount of vehicle accidents, stray animal encounters, and crime on the streets after dark while also increase the safety of the city's general population.

**f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?**

The Auditor General conducts audits for both city and state agencies impacting future funding opportunities.
