Local Funding Initiative Request

Fiscal Year 2022-2023

LFIR # 2330

1. Project Title

2. Senate Sponsor

3. Date of Request

4. Project/Program Description

Feeding Florida partners with Florida farmers to source fresh product that would otherwise not find its way into the supply chain, (due to it being cosmetically blemished or market shifts) to distribute through our 12 member Food Banks throughout the State of Florida, in partnership with over 2,500 partner agencies. Working through our network, we ensure that food insecure Floridians have access to healthy nutritious food and are connected to the services they need. In addition, we help facilitate movement of excess produce products to other states, which brings in revenue to growers across Florida.

12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

Feeding Florida partners with Florida farmers to source fresh product that would otherwise not find its way into the supply chain (due to it being cosmetically blemished or market shifts) to distribute through our 12 member Food Banks throughout the State of Florida, in partnership with over 2,500 partner agencies. Working through our network, we ensure that food insecure Floridians have access to healthy, nutritious food and are connected to the services they need.

b. What activities and services will be provided to meet the intended purpose of these funds?

All activities associated with the analysis, acquisition and distribution of fresh produce to the food insecure citizens of Florida.

c. What direct services will be provided to citizens by the appropriation project?

Funding will be utilized to provide nutrition education and food to all food insecure Floridians.

d. Who is the target population served by this project? How many individuals are expected to be served?

The target population are those individuals and families that are food insecure as defined by multiple state and national assessments. This includes, but is not limited to, Feeding America, the United Way Alice Report, census data and independent food bank analyses. This figure is currently estimated at over 3.5 million people across the state.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Reduction in food insecurity levels in all 67 counties. Measured by pounds of food distributed through the Feeding Florida network and number of families served.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Feeding Florida must submit evidence of performance prior to drawing down the funds. Feeding Florida is reimbursed \$0.23 for every pound of food recovered and is paid after the food is sourced and distributed. The agency has the authority to withhold payment for failure to perform.

13. The owners of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owners of the facility and the entity.

Food Bank members of the Feeding Florida network. All are 501 (c)3 organizations linked to Feeding Florida.
