2. Senate Sponsor

3. Date of Request

4. Project/Program Description

Completing the dredging, widening and berm removal of the next 1.5 miles of the remaining 6-1/4 miles of the channel & construction of the embankment for the linear park allows for improved water flow & filtration, cleaner water, provides for safer navigation, addresses permitting agencies regulations. Provides for direct access to the Lake & increased economic development venues to be hosted--fishing, duck hunting, bird watching, hiking, wildlife enthusiasts & activities, etc., which increases tourism, State revenues & maintains employment. Glades County owns the largest area of Lake Okeechobee on the western shore & access to the Lake is vital to the economy in this fiscally constrained community & the Moore Haven Canal serves as the life line for the County. 3/4 mile was completed with SFWMD funding and multiple State agencies participating (SFWMD, FWC, TIITF, FDEP). Glades County is located in a rural area of economic opportunity.
