Total State Funds Requested (must equal total from question #6) 1,500,000							

12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

Enhanced protection of a Special Water Outstanding Florida Water and enhanced recreation opportunities for citizens and visitors of Flagler County and Northeast Florida.

b. What activities and services will be provided to meet the intended purpose of these funds?

Flagler County will shepherd the acquisition process and provide ancillary support including purchasing surveys, appraisals, etc.

c. What direct services will be provided to citizens by the appropriation project?

Ecosystem services provided will include a water quality buffer for the pristine lake, protection of significant habitat for game and fish. Public access will provide for recreational boat parking and nature based recreation including hiking and fishing.

d. Who is the target population served by this project? How many individuals are expected to be served?

Citizens and visitors of Flagler County are the target population of this project including hunters, fishermen, birdwatchers, photographers, hikers, and casual nature observers. Flagler County's population is over 115,000 individuals, 42,000 households, and 10,000 veterans. Visitors to Flagler County include visitors from all over the country and the world. Particularly, fisherman travel every winter to fish our clean, freshwater lakes for perch and specks.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

LFIR # 2413

The expected benefit of this project is perpetual conservation, preservation, and availability of habitat, cultural site, and history to the citizens and visitors of Flagler County

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

The transaction is a one-time real estate transaction. There are no performance measures or deliverables other than acquisition of the property.

13. The owners of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owners of the facility and the entity.

The owner of the property, Mr. John Kern, has no formal relationship with Flagler County other than long-time private landowner.
