#### 12. Program Performance

##### a. What specific purpose or goal will be achieved by the funds requested?

Provide technical support for the stabilization of Main Street communities in Florida and prepare them for the everchanging 21st century marketplace, natural disasters, and pandemics.

##### b. What activities and services will be provided to meet the intended purpose of these funds?

Florida Main Street will use these funds to provide market research and analysis, business development training, local board training, national Main Street trainings, and individualized resource teams for newly designated communities.

##### c. What direct services will be provided to citizens by the appropriation project?

Local citizens, the foundation of the Main Street programs and their downtown districts, will receive needed training and support to build resilient and thriving communities.

##### d. Who is the target population served by this project? How many individuals are expected to be served?

Designated Main Street communities in good standing throughout Florida.

##### e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Thriving and vibrant Main Street communities providing economic and social benefits for Florida's citizens and visitors.

##### f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Consultants failing to provide deliverables will not be compensated.
