12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

To alleviate flooding of residents homes and property and businesses.

b. What activities and services will be provided to meet the intended purpose of these funds?

Installation of culverts, clean out ditches, install bridges for flow of water. Maximum storm water relief.

c. What direct services will be provided to citizens by the appropriation project?

To alleviate flooding of residents homes and property. Ensure employment by keeping Dixie County Correctional Institute and 2 Sawmills open.

d. Who is the target population served by this project? How many individuals are expected to be served?

All residents who have been affected by Dixie County flooding. Approximately 17,000 residents.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

It will be less likely to flood in the areas of concern in the future. The methodology is to mitigate flooding by installation of the culvert and bridge system and ditch clean out.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

To pay back any monies not spent to perform this project.

13. The owners of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owners of the facility and the entity.

Board of County Commissioners. Maintaining stormwater drainage system.
