LFIR # 2711

The County received 1/2 of its allocation in the amount of \$3,690,624.50. Subject to Board approval, funds are anticipated to be used for wastewater treatment expansion to meet significant customer/developer demand for capacity. It is anticipated that expansion needs will significantly exceed COVID fund allocation. Pending completion of wastewater facilities plan update due 1st quarter of 2022.

11. Details on how the requested state funds will be expended

Total State Funds Requested (m	ust equal total from question #6)	775,000			

12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

Repairs to structural components of the exterior of the historical courthouse to preserve the building and seal it to prevent moisture build up inside the building. The Building houses the Courts, Clerk of Court, Public Defenders Office, and State Attorneys Office.

b. What activities and services will be provided to meet the intended purpose of these funds?

Preservation of Historic Courthouse structural integrity. The courthouse serves as the active DeSoto County Court in the 12th judicial circuit. It also houses the State Attorney and Public Defender functions and the Clerk of Court

c. What direct services will be provided to citizens by the appropriation project?

Court services and public records of the Clerk of the Court

d. Who is the target population served by this project? How many individuals are expected to be served?

General Public

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Enrich cultural experience. The DeSoto County Courthouse was constructed in 1913. The building is ornate with brick facing and large ornate windows. Restoration of broken and missing brick, replacing rusting window shelves and lintels, repairing concreter cracks and grout, and sealing the building will restore the glory of the building and more importantly, provide a safe and sealed facility for court purposes. Construction repair will not change the historical appearance of the building. Moisture content reduction inside facility and visual physical repairs on exterior.

LFIR # 2711

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Award based on a reimbursable basis. Failure to adhere to deliverables and perform eligible activities would not be reimbursable.

13. The owners of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owners of the facility and the entity.
