Local Funding Initiative Request

Fiscal Year 2022-2023

LFIR # 2720

1. Project Title

2. Senate Sponsor

3. Date of Request

4. Project/Program Description

Repair or relocate and renovate the deteriorating town hall building and renovate the recently closed community center. The current community center was built in 1905 and has limited parking (1 regular and 1 handicap space). The building has been closed to the public because of electrical, mold, and structural problems; town hall is experiencing many of the same problems. In addition, the town would purchase new office furnishings and replace old and outdated computers and software (including utility billing software, key-less entry system, and update facility to aid in the reduction of the COVID-19 virus and be more ADA compliant).

12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

Repair or relocate and renovate the deteriorating town hall building and renovate the community center, bring both town hall and the community center up to current building and health codes, create a healthier work environment, create a more productive work place, and create a safer work space in regards to physical safety and improve ADA compliance.

b. What activities and services will be provided to meet the intended purpose of these funds?

Meet the needs of the citizens by allowing a healthy and safe place to have town meetings, special board meetings, council meetings, and conduct town business on a daily basis. The community center will act as an emergency response operating space, provide a meeting venue, and serve as a host spot for many town sponsored events.

c. What direct services will be provided to citizens by the appropriation project?

This project will provide the citizens with a town hall that is able to meet their needs and demands of citizens in a more productive and timely fashion.

d. Who is the target population served by this project? How many individuals are expected to be served?

All citizens will benefit from a healthy, safe, and productive workforce and ADA compliant community center.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The community center will provide opportunities for residents to be active and to interact with other residents while fostering a culture of health, wellbeing, and boost the local economy.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

If items are purchased then backup proof of purchase should be supplied prior to requesting funds. A period of performance should be outlined in the contract and followed, or town loses its funding.

13. The owners of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owners of the facility and the entity.
